INTER-DISTRICT TRANSFERS

The Education Code of the State of California requires that children attend school in the district in which they live. Parents/guardians may request an inter-district transfer/permit to another district based on the following information. Approval is not automatic.

- **Residency Based on Employment** (Allen Bill 2071) – **A letter from the employer on letterhead must be included** with the inter-district request. One of the parents/guardians must be physically employed within the boundaries of the school district for a minimum of 10 hours during the school week.
- **Child Care** - If the childcare provider is within the boundaries of another district, the student may be permitted to attend a school near the childcare provider. **A notarized statement from the childcare provider must accompany the application.**
- **Former Resident** - If parents/guardians move into the Mt. Pleasant School District during the current school year, the student may continue attendance in the former district for the remainder of the school year. The student must have attended for a minimum of forty days in the former district. **A dated document that verifies the former address must be submitted with the application.**
- **Future Resident** - Students who are members of a family that has signed a lease, a contract to rent, build or buy a home in the district may enroll in the semester in which they expect to become residents. **A copy of the document that confirms the transaction must accompany the application.**
- **Eighth Grade Privilege** - If parents/guardians move from the district after a student has completed the seventh grade, the student may be allowed to complete the eighth grade at his/her former school. **A dated document that verifies the former address must accompany the application.**
- **Program Offering**- enrollment requested in a specialized program, not offered within the Mt. Pleasant School District, i.e., Dual Immersion Chinese.

The Inter-district transfer/permit, if granted, will be valid for up to 1 year. The agreement will continue in force only as long as the student demonstrates regular and punctual school attendance, satisfactory school behavior, and satisfactory academic achievement. The use of false information to secure a transfer will invalidate the transfer. Transportation to the requested district will be the responsibility of the parent/guardians. Special Education or Section 504 services must be mutually agreed upon by both districts. If the request for an inter-district transfer is approved, it will be referred to the district of desired attendance for consideration. It is up to the receiving district if they accept or deny the request.

Appeal Process

If Mt. Pleasant School District Staff denies an inter-district request from a district parent/guardian because it does not fall within the identified criteria or insufficient required information is presented, the parent/guardian may resubmit the Inter-District request with the additional information for consideration of appeal.

If the Inter-district request is denied, the parent/guardian may appeal in writing to the Superintendent. The parent/guardian must write a letter to the Superintendent and provide complete information on which a determination can be made. The Superintendent will make the final decision within ten working days. Appeals will be addressed solely in writing.

If the appeal is denied, the parent/guardian may appeal in writing to the Santa Clara County Board of Education, 1290 Ridder Park Drive, San Jose, California 95131-2398. The decision of the Santa Clara County Board of Education is final.
