The Webster Elementary ACAT program serves the academic and social-emotional needs of gifted and talented students in grades 1-6 in our community. Join us for a virtual meeting to learn if this program might meet the needs of your student. We accept applications to consider students who are currently in kindergarten through 4th grade. You will learn about our application and selection process, our philosophy, and our curriculum.

Application links will be available on the Webster and LPS websites beginning November 15, 2024. The application deadline is January 31, 2025. This application is for families of current LPS students and those who live within Livonia Public Schools boundaries.
