Board of Education to Enter Contract Negotiations for Superintendent Position

Green Bay, WI - November 7, 2024- At Monday's Special Board Meeting the Board of Education will vote to enter negotiations with Interim Superintendent Vicki Bayer to serve as superintendent for the 2025-26 school year.

"The Board of Education has been incredibly fortunate to have a strong leader in Vicki Bayer who has led the District as interim superintendent through the return to in-person learning during the pandemic, a significant budget deficit, boundary changes and school consolidations, and two referendums," stated Board President Laura McCoy "The Board is grateful to Ms. Bayer for her willingness to serve as superintendent for an additional year, while the Board of Education and District administration complete important ongoing efforts."

Extending the superintendent contract to Vicki Bayer for the 2025-26 school year provides stability for the District as it completes transformative work for a brighter future.

- Development of a strategic plan, which will provide a roadmap and measurable goals for the District for the next 3-5 years.
- Professional development to support implementation of new curriculum.
- Completion of the 2022 and 2024 referendum projects to provide engaging and appropriate learning spaces for students.
- Finalizing school consolidations.
