The Low Down with Mr. Brown

Dear Parents and Guardians:

November is here and we are into the season of giving!! Please take time this month to enjoy friends and family. Our students continue to work hard and keep Leptondale shining bright. I wanted to thank all the families who came out and joined us in the Homecoming Parade. This year, we had the largest number of students and families' march! Just another way Leptondale ROCKS!! The PTO will be holding their annual Craft Night on November 22nd. Come on out and enjoy a fun night of creativity!

From the Heart with Mrs. Hoyt

Leptondale has so much to be thankful for. I am thankful for all the amazing fifth and sixth graders that submitted applications, interviewed, and were hired to be PBIS Ambassadors. This year we had a record high of 111 ambassadors. WOW! Red Ribbon week was also a huge success. We had so many people participate in Spirit Week! Congratulations to all October PAWSitive Students of the Month. Your responsible behavior makes Leptondale a positive and fun place to be every day.

The PAWS-itive Student of the Month Trait for November is enthusiastic. Students that receive student of the month for November are students who show a strong interest or excitement in daily activities.

Austin's Helpful Healthy Hints

Happy November! I have some ways you can "FALL" into Healthy habits this fall season.

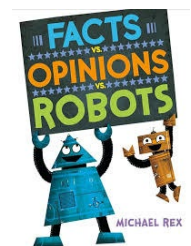

- Wash your hands for at least 20 seconds
- Drink plenty of water
- Cover your cough/sneeze
- Sleep for at least 8 hours every night
- Brush your teeth every night
- Floss twice a day
- Get outside for some fresh air and exercise

The Book Nook

Facts vs Opinions vs Robots
By: Michael Rex

This hilarious book helps young readers understand the difference between facts and opinions. First, this interactive book uses robots to act out scenarios, then readers must figure out if it is fact or opinion. A great way to teach facts and opinions to children.

~Happy Reading
