MCIT STUDENTS INTERN AT LOCAL HOVERCRAFT COMPANY

This summer, two MCIT students had the honor of interning at a local hovercraft company. Nathaniel Wilson, Ben Hyde, and Jason Kuehn (owner). The company is located in Lawrence and is called Hoverstream, LLC—Nathan and Ben did a little bit of everything including learning how to construct fiberglass parts for the hovercraft.

DIGITAL DESIGN STUDENTS GET A HANDS ON EXPERIENCE WITH COSMETOLOGY

As Cosmetology students got ready for the opening of Studio 75, the Digital Design Capstone students were recipients of a manicure as cosmetology students practiced their skills.

NURSING STUDENTS PRACTICE CPR SKILLS

As Nursing students work towards their CPR certification, an in-class CPR workshop helps students understand proper techniques and get their timing down. These life-saving skills will be a great asset as they move forward in their career.

MCIT HOSTS TRADE FAIR FEATURING LOCAL BUSINESSES

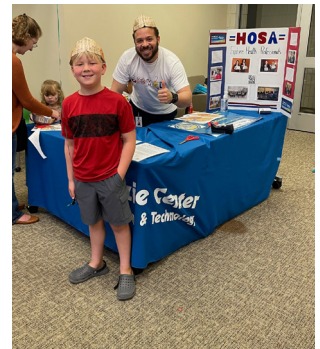

MCIT hosted a Trade Fair today for our junior and senior students. Over 20 local businesses came in to talk about awesome career opportunities after high school. Thanks to all the exhibitors who took time out of their schedule to meet with our students.

MCKENZIE REPRESENTS AT DIA LATINO DE LAWRENCE

On September 28th, MCIT participated in City of Lawrence's Dia Latino De Lawrence. Due to weather, the festival was moved to the LECC.

Great seeing all of those who stopped by our booth and thanks to all who helped make this another successful year.

1024 KIL-A-BYTES ROBOTICS & ENGINEERING VOLUNTEER AT HARVEST HOOPLA

The Engineering Design and Development class and 1024 robotics volunteered at Indian Creek's, "Harvest Hoopla" on October 3rd. Our Robotics team (1024) sold concessions and then had a scene of a haunted carnival with a skeleton ring toss and a station where the kids tried to knock targets down with a ball—The Graveyard Gallery.

MCIT'S FBLA OFFICER INDUCTION CEREMONY

McKenzie's chapter of Future Business Leaders of America recently inducted the Officers for the 2024-25 school year. The ceremony took place in the LGI room and welcomed family members with a cake and punch reception.

FBLA will be attending the Indiana State Conference here soon where they will meet with other chapters from the state and develop their leadership skills. In March, our FBLA chapter will compete in the State FBLA Competition.

Ms. Gilbert's culinary classes recently held their very own Souper Bowl! Students worked in groups to create a soup that they would submit for a team of judges to taste test and judge based on: taste, aroma, creativity & presentation.

Thanks to all the students who created such delicious soups. And thanks to the Volunteer Judges who got the opportunity to taste all of these fantastic soups.
