

## MGHS ANNOUNCEMENTS Thursday, November 7th, 2024

**General Announcements:** Students and staff - we invite you to participate in the Gratitude Challenge. Located throughout the building are colorful calendars that ask a question each day regarding something that you are thankful for. You can participate in this activity on your own or you can chat with a friend or colleague about what you are grateful for. There are so many good things happening in our lives. We are creating an "Attitude of Gratitude" and reminding each other that we have a lot to celebrate and enjoy in our school community and at home. The Gratitude Challenge question today is: What class are you thankful for? What are you learning in this class and how will it benefit you? Take the challenge!

A representative from Northern Michigan University will be in the commons today during early lunch. Please see Ms. Boyde in Student Services if you have late lunch on B days and need a pass to attend.

There is an orchestra concert tonight at 7 pm in the auditorium.

Representatives from The University of Wisconsin-Whitewater Broadcasting & Journalism Program will be in the AV Studio, Room 133, right after the morning announcements tomorrow. Come down and watch the announcements and stay for a quick question and answer session to learn more about their program.

Attention Seniors: Madison College (also referred to as MATC) will be in the IMC tomorrow over both lunches to work with students on applying for free, and to answer any questions you may have about the college. Please bring your charged Chromebook and your social security number.

Attention students planning to take AP exams this year! Registration is due tomorrow. The registration form communicates which exams you will be taking this year and which exams you are choosing not to take this year. Be sure you have filled out the registration form before the end of the day tomorrow! If you have any questions please contact Mr. McLaughlin through email or talk with your AP teacher!

**Sports:** All Football players must turn in their cleaned uniforms and equipment today after school. All team lockers must be completely cleaned out as well.

Anyone interested in joining Powerlifting should attend the meeting today in the weight room after school. If you cannot make it, let Mr. Hahn know.

Attention students interested in Girls Basketball, Boys and Girls Hockey, and Gymnastics! The registration deadline is TODAY—please make sure you and your parents/guardians complete your registration by 4:00 PM. Only students with completed registrations will be cleared to participate on the first day of practice. For a list of currently eligible students, contact the Athletics/Activities Assistant, Mrs.

Priebusch, directly. Note: Any registration submitted after the deadline will delay your start until Tuesday, November 12 or after. Remember, physicals must be dated on or after April 1, 2023 to be valid for this school year—check [MononaGroveAthletics.com](http://MononaGroveAthletics.com) for local walk-in sports physical options.

There will be a Silver Eagle Athletes of Faith meeting 7:30 pm on Monday at New Life Church. It will be a fun meeting with 2 UW Badger student athletes speaking, snacks, t-shirt distribution, and a sign up for volunteer opportunities for the next month! Also, this is a reminder to respond to your email from Becca Yinko to volunteer for THIS Sunday's ALK Positive Lung Cancer fundraiser honoring one of our own community members. We are looking for volunteers for 1-2 hour shifts from 12pm-5pm to help run kids games, face paint, and help clean up.

**Lunch menu:** Today in the traditional line we have baked french toast with berry sauce, butternut squash, a sausage patty, celery sticks, Dragon Veggie Juice, and mandarin oranges.
