Parent Signature _____

Schedule Change Requests

Student and parent requests for schedule changes MUST be turned in to counselors **no later than April 25, 2025**. No schedule changes will be permitted after this date.

This information is vital to the development of the campus master schedule and staffing of campus personnel. Campuses must have accurate information to ensure that student schedule conflicts are resolved before the start of the school year. Courses with low enrollment are subject to cancellation due to staffing.
