

What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective compacts:

- Begin with standards
- Focus on student learning
- Respond to school data
- Define everyone's responsibilities
- Depend on us to believe in it and use it

Jointly Developed

The parents and staff at Crestview Elementary School developed this School-Family Compact for Achievement. Parents made the suggestions for home activities to support learning. School-wide meetings are held each year to update the compact.

Parents are welcome to contribute comments at any time.

For more information on the 5th-grade compact, please contact Crestview

210-945-5111

Activities to Build Partnerships

Due to current circumstances, dates for the following events will be determined at a later date.

- Fall Festival
- Science Lit Night
- Career Day
- Science Camp

More information will be sent home.

Communication about Student Learning

Crestview Elementary School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are listed below.

- Daily Take Home folders
- Access to student grades through Parent Self-Serve Portal
- Parent-teacher conferences in October and as needed

If you have questions about your child's progress, contact your child's teacher by phone at 945-5111 or by email. Email addresses are on the school website, www.judsonisd.org.

Family-School Compact 2024-2025

Our Goals for Student Achievement

District Goals

- Goal 1: To meet or exceed Texas Education Agency standards on STAAR and prepare students for higher education and workforce readiness
- Goal 2: To improve communication with all stakeholders by creating additional information pathways with increasing participation
- Goal 3: To increase employee retention and satisfaction making Judson a premier employer

School Goals

- Goal 1: Improve, sustain, and support academic growth in the four core areas at or above grade level
- Goal 2: Increase parent and community involvement in the school
- Goal 3: Ensure effective leadership through the implementation of a sustainable leadership system

Teachers, Parents, Students – Together for Success

In The Classroom

The 5th-grade team will work with students and their families to support students' success in all subject areas. Some of our key connections with families are listed below.

- Before and after school tutoring as needed
- Reinforcement activities/games
- Differentiation to accommodate all learning styles

At Home

5th grade parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list.

- Visit teacher websites and use the links
- Try to attend Family Fun Nights as they are offered
- Check your child's planner nightly
- Read every day
- Practice math facts

Students

Crestview students worked with teachers to develop ideas about how they can be successful in school. Students thought of the following ideas to make connections between learning at home and school.

- Talk with my family about what I am learning
- Practice math facts daily. (addition, subtraction, multiplication, and division)
- Ask parents for help with homework when needed
- Bring home notices about family fun nights
