

## What is a Family-School Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

### Effective compacts:

- Begin with standards
- Focus on student learning
- Respond to school data
- Define everyone's responsibilities
- Depend on us to believe in it and use it

## Jointly Developed

The parents and staff at Crestview Elementary School developed this School-Family Compact for Achievement.

We welcome additional ideas and contributions at any time. School-wide meetings will be held each year to update the compact.

For more information on the kindergarten compact please contact, Crestview Elementary at 210-945-5111.

## Teachers, Parents, Students – Together for Success

### Our Goals for Student Achievement

#### District Goals

- Goal 1: Work closely and collectively to support the Superintendent in all matters pertaining to the attainment of Superintendent Goals adopted by the Board
- Goal 2: To spend money wisely, efficiently, and equitably by maintaining a "Superior" rating, earning an Unqualified Opinion Letter, and maintaining a fund balance that is aligned with Board Policy
- Goal 3: Improve communication with all stakeholders to increase and enhance community engagement and parental involvement
- Goal 4: Maintain a competitive compensation package with other districts that leads to increased employee retention and job satisfaction

#### School Goals

- Goal 1: To meet or exceed Texas Education Agency standards on STAAR and prepare students for higher education and workforce readiness
- Goal 2: To improve communication with all stakeholders by creating additional information pathways with increasing participation.
- Goal 3: To increase employee retention and satisfaction making Judson a premier employer
- Goal 4: To spend money wisely, efficiently, and equitably by coordinating and integrating federal, state, and local funds to improve overall learning environment

#### In The Classroom

The kindergarten team will work with students and their families to support students' success in all content areas. Some of the key connections with families are listed below.

- Class Dojo/Remind to communicate to parents.
- Parent/Teacher Conferences
- Phone calls
- Emails

#### At Home

Crestview Elementary School parents joined the staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to the list.

- Read with my child every day.
- Family Literacy Night and Science Night
- Play games to practice sight words and reading skills using hands-on activities (shaving cream, magazine cut-outs, rainbow writing)
- Engage my child in conversation about learning

#### Students

Crestview Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school.

- I can talk to my family about my day in school.
- I can give my parents my daily take-home folder, which contains important information from my school.
- I can practice reading, writing, and math skills at home.
- I can read books with my family.
