All terms stated will exist for the contract term, from July 1, 2024 through June 30, 2025 or until altered or omitted by mutual agreement of the parties.

**ARTICLE I**  
**Recognition and Definition**

**Section 1**

The Board hereby recognizes the West Noble Classroom Teachers Association as the exclusive representative of all teachers in the School Corporation.

**Section 2 - Definitions**

- A. The term "teacher", when used in this Contract, shall refer to all certified personnel employed by the Board. (Including those employed to supervise the alternative school program and teachers employed on a temporary contract(s) totaling sixty or more calendar days in a given school year) except; Superintendent and Assistant Superintendent; the Elementary, Middle School, and High School Principals; the Elementary, Middle School, and High School Assistant Principals; the Elementary, Middle School, and High School Directors of Student Activities; Administrative Assistants; Director of Athletics; Inter-Corporation Psychologist; Special Education Director; Inter-Corporation Director of Vocational Education; Retired Teachers; Curriculum Director; Transportation Director; Technology Coordinator; Business Manager and West Noble Administrators.
- B. The term "Local Association" shall mean the West Noble CTA.
- C. The terms "Board" and "Association" shall include authorized officers, representatives and agents.
- D. The term "School Corporation", when used in this Contract, shall refer to the West Noble School Corporation of Noble County of the State of Indiana.
- E. The term "retired teacher" shall be defined as any teacher currently drawing a benefit from Teachers Retirement Fund based on their personal years of service.

**ARTICLE II**  
**Compensation and Expenses**

**Section 1**

- A. Second year teachers who have provided instruction to students in elementary or secondary grade levels without previous instructional experience in another Corporation may receive a compensation increase regardless of their evaluation rating. All other teachers who receive an evaluation performance rating of “Improvement Needed” or “Ineffective” shall not receive an increase.
- B. For the school year 2024-2025, the FTE base salary range is established at \$42,000 - \$84,000. Should a teacher’s base compensation exceed the maximum, the excess dollars will be paid as a one-time stipend.
- C. Compensation Plan - The following plan will be used for school year 2024-2025:
  - a. Teachers who receive this compensation plan must have an evaluation rating of effective or higher, which will account for 50% of the possible salary increase. The other 50% of the compensation will be on the years of experience of teaching in a classroom setting.
  - b. Teachers who received an evaluation rating of “Ineffective” or “Needs Improvement” will not receive an increase. The amount which would have been allocated for the salary increase of those rated ineffective or needs improvement shall then be redistributed to those teachers who receive effective or highly effective evenly as a stipend.
  - c. This base pay increase is retroactive to the beginning of the school year.
  - d. Teachers will receive an evaluation rating if they attended 90 or more days. This is not a bargainable item. This is for informational purposes only.
  - e. Teachers will be moved to the pay scale in appendix B . They will receive a salary increase differential based on academic needs to retain teachers and prevent them from leaving to nearby schools. Teachers will be moved to the pay scale to reduce the gap caused by years of lack of a raise and the increase in beginning teacher pay.
  - f. Teachers that are already on or above the scale will receive a stipend of

\$1,000.00. This stipend will be based on 50% on an evaluation rating of effective or higher. The other 50% will be based on the years of experience of teaching in a classroom setting.

## **Section 2**

- A. In addition to base salary, the Board will pay the 3% teacher contribution to the Teachers Retirement Fund (INPRS)
- B. If the School Corporation requires the teacher to attend a conference, seminar or workshop the Corporation will pay the following expenses: registration, mileage at the IRS standard rate then in effect, room and meals. Any seminar or workshop where credit is given, the teacher will pay that particular part of the cost.
- C. A teacher who is required to use his/her personal vehicle in the course of employment and qualifies for reimbursement will be paid for the miles driven at the IRS standard rate then in effect.
- D. In the event that no substitutes are available, a teacher who covers a room lacking said substitute shall receive paid compensation for loss of their prep period. This period must occur during the school day in which students are in the building. Teachers will receive \$25 for one (1) period of coverage added to their paycheck within four (4) weeks.
- E. A rate of \$25 per hour will be available for certified staff for professional development provided by or sponsored by West Noble School Corporation outside of the school day hours.

## **Section 3 - Salary Payments**

Regular salary payments will be made in twenty-six (26) installments. All part-time personnel would be given the option of receiving their pay in twenty (20) installments. In the years that have a 3 week pay period, the 3 week pay period will occur in the last half of the year in the month that would have had 3 pays. The Corporation shall provide written and/or electronic notification to every teacher no less than 90 days in advance of any 3 week pay period.

## **Section 4**

- A. The current extra-curricular salary schedules are set forth in Appendix C. These positions were not bargained for and are included for information purposes only.

B. A teacher may submit in writing to the Superintendent a request to work on curriculum development. The request must designate the amount of hours and include an outline of the work to be accomplished. This request must receive the approval of the Building Principal and the Superintendent of Schools. One of the criteria for granting approval will be based on the inability to accomplish this task by giving released time during the teacher's day. The teacher requesting to write curriculum during the textbook adoption cycle will receive preference. The pay rate for curriculum writing will be twenty dollars (\$20) per hour for those hours approved. Teachers who are approved to do tutoring or work with students outside the regular teacher's day will be paid the higher of either \$32.50/hour if the teacher has a Bachelor's degree or \$35.00/hour if they have a Masters degree. Volunteer workshops, seminars, and other in-service sessions may qualify for the professional pay rate at twenty (\$20) per hour. ~~Portions of this provision were not bargained, but included for information purposes only.~~

### **Section 5 - Summer School Benefits**

- Teachers of summer school shall be paid at their hourly professional rate of \$32.50 with a Bachelor's Degree or \$35.00 with a Master's Degree.
- Teachers of summer school may use one PTO day, and shall only be charged one half PTO day.
- Teachers of summer school are allowed to use bereavement days.
- Teachers shall have a minimum of thirty minutes for preparation daily.

### **Section 6 - Safe Work Environment**

A. Any teacher who misses school because of an assault by a student shall not have that time deducted from sick leave until such time as the teacher qualifies for disability benefits. The School Corporation shall reimburse the teacher for all medical expenses the teacher incurs in such a situation, which are not covered by another source (such as insurance) up to, but not to exceed, medical insurance co-pays and deductibles which will be based solely on West Noble's group health policy. With respect to property damage, reimbursement or payment shall be limited to the teacher's deductible amount or the sum of one thousand dollars (\$1,000), whichever is less, if the damage occurs off school premises. If the damage occurs on school premises the payment shall be limited to the teacher's deductible or the sum of one thousand dollars (\$1,000), whichever is less.

- B. Classroom conditions shall be maintained in the areas of temperature, lighting, ventilation, and space. This is for informational purposes only.
- C. Teachers shall have a duty-free lunch period of at least 30 consecutive minutes each day. This provision was not bargained but is included to reflect the current statutory requirement.
- D. *Lactation stations or areas shall be provided: a private place other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, with locking doors. This is to reflect the current statutory requirements from Indiana Codes 5-10-6-2, 22-2-14-2, and 16-35-6.*

### **Section 7 - Sick Day Payout**

Each year, certified employees are granted twelve (12) PTO days. At the close of the 2024-2025 and the school years, any teacher who has a combined forty-five (45) days of accumulated sick days and has not used their allotted twelve (12) PTO days for that school year is eligible to be compensated for up to five (5) days of the unused leave days at the lower of the substitute rates per day. The teacher must have an accumulated sick day count of 45 days as of June 30, 2024 to be eligible. Notification to opt out of the sick day payout will be sent via email to staff by May 1<sup>st</sup> of each year. If an employee has more than five (5) days of PTO days remaining as of June 30<sup>th</sup> of any given year, those days over five (5) will be added to their accumulated sick day total. If a teacher borrows from the accumulated sick day bank at any time during the year, no additional compensation will be awarded. If deduct days are used, then the number of PTO pay-out days will be reduced by the number of deduct days that school year.

## **ARTICLE III Leaves**

### **Section 1 – Immediate Family**

Immediate Family - Immediate family shall include: current spouse, child, sibling, parent, grandparent, or grandchild. Family members named include teacher and/or the teacher's spouse. Immediate Family also shall include any other person who qualifies

by IRS regulation as a dependent or person placed in the household by the court. For bereavement only, the definition of the immediate family shall also include siblings of the teacher's current spouse, son-in-law, daughter-in-law, brother-in-law, sister-in-law and grandchildren of the spouse.

## **Section 2 – Paid Time Off (PTO)**

Teachers will be given twelve (12) leave days to use for personal business, personal illness, family illness, or for funerals.

PTO Days will not require written request or prior permission except for any of the following limitations:

- No more than two (2) PTO days may be used on consecutive school days not related to illness without the approval of the Superintendent prior to the start of the leave.
- Only one (1) day per year may be used to extend a break. Breaks are defined as Labor Day, Fall Break, Thanksgiving Break, Winter Break, Spring Break and Memorial Day.
- No more than one (1) day is to be used in May for non-illness or non-bereavement reasons.

Written requests must be submitted in advance to the Superintendent.

PTO days may be used to extend bereavement leave.

Teachers will schedule absences in the substitute system 48 hours in advance whenever possible.

If an extended illness occurs in which a teacher uses multiple sick days, the PTO days would be used until the teacher reaches ten (10); at that point two (2) days would be reserved for personal affairs and accumulated sick days would be used if still needed for the illness.

## **FMLA (Family Medical Leave of Absence)**

In accordance with Federal law, the provisions of the Federal Family and Medical Leave Act (FMLA), 29 CFR, shall be incorporated by reference into this handbook. The operative

language implementing the FMLA shall conform to the FMLA and shall not reduce an employees' entitlement to leave, fringe benefits, or reinstatement provided by the Agreement or by the FMLA. The first twelve (12) weeks of any qualifying leave will be recorded as FMLA leave provided the employee has FMLA leave remaining to cover this time period. The employee shall use their accrued paid leave (PTO and/or accumulated sick leave) concurrently with FMLA leave.

The employee will meet with the superintendent and/or their supervisor prior to the leave to determine an appropriate plan for paid and unpaid leave.

For FMLA purposes, the rolling year method shall be used to determine eligibility for FMLA. FMLA eligibility is established the first time an employee uses FMLA and expires twelve (12) months thereafter. The next year begins the first instance that the employee again uses FMLA. This is called the 12-month measured forward method.

FMLA qualified events:

A-1. the birth of a child and/or the care of a newborn child within one (1) year of the child's birth;

B-1. the placement of a child with the staff member by way of adoption or foster care and/or to care for the child within one (1) year of the child's arrival;

C-1. the staff member is needed to care for a spouse, son, daughter, or parent if such individual has a serious health condition; or

D-1. the staff member's own serious health condition prevents him/her from performing the functions of his/her position.

Principals will conference with individuals who have missed nine (9) days. If poor attendance choices are indicated, the employee will receive a written notice that continued poor attendance is likely to result in a one point deduction for core professionalism.

Unused PTO days roll over to sick days the following year. Previously accumulated sick days will remain as sick days and cannot be used as PTO days.

In the event that a teacher finds it necessary to leave for one and one-half (1 1/2) hours or less during the school day for any of these reasons he/she shall be charged in one-fourth (1/4) day increments. A leave time when a teacher has no direct responsibility for students shall not count.

### **Section 3 – Accumulated Sick Leave**

The maximum accumulation of sick leave is unlimited.

Sick leave days accumulated by a teacher prior to a leave of absence shall be credited to the teacher upon return.

### **Maternity/Paternity Leave**

A Maternity/Paternity leave utilizes the teacher's available PTO and accumulated sick days while under a doctor's care. Such a leave commences the day following the birth, or adoption, of the child and continues for twelve (12) weeks. During this twelve (12) week period, the teacher may use up to sixty (60) available PTO and accumulated sick days. If the teacher has fewer than sixty (60) available accumulated sick days, the teacher may choose to take the remainder of the twelve (12) week period as an uncompensated leave.

If the birth, or adoption, of the child occurs over the summer break, the provisions will not be granted if the leave is set to expire prior to the first day of the school year. If the provision has not expired over the summer break, then the teacher may use any/all of the residual days, beginning with the first day of the new school year and continuing consecutively.

If the teacher is medically disabled, as verified by a physician's statement, beyond the provisions cited here within, the teacher may use more of his/her available sick days to cover the time period of the disability.

Uncompensated leave may continue for up to one (1) year following the birth, or adoption, of the child. The teacher granted such a leave shall have the right to maintain, at his/her sole expense during the leave, all insurance benefits in which he/she was enrolled at the time of the request. A teacher on uncompensated leave is required to return within one (1) year following the birth, or adoption, of the child, except the return date may be adjusted beyond the child's first birthday to the first day of the next grading period. The teacher granted such a leave will be returned to the same assignment or one that is comparable and equal in benefits as determined by the

Administration.

#### **Section 4 – Accumulated Sick Day Transfer**

Accumulated sick days from a previous school corporation shall transfer.

#### **Sick or Personal Leave Accumulation**

Sick and personal leave shall not accumulate for a school year when the teacher did not teach. For teachers who do not teach the entire school year, credit for personal or sick leave shall be credited on a twenty-five (25) percent basis for every forty-five (45) teacher contract days. Recognizing that sick and personal leave are "credited" to the teacher as of the first day of the Fall Semester, if this policy necessitates "deducting" sick or personal days, such adjustment shall be made in the school year of the teacher's return to teaching at the School Corporation. Each situation will be unique and FMLA laws shall fully apply.

#### **Section 5 – Sick Leave Bank**

The Board will recognize a sick leave bank to be administered by the Association subject to the limitations specified below:

A. Any teacher may elect to donate one (1) day of his/her annual sick leave credit to the sick leave bank. A teacher's election shall be irrevocable. A list of those teachers electing to donate one day of sick leave to the Sick Leave Bank shall be submitted by the Association to the Superintendent's office by December 1 of each year. Upon retirement, an individual may donate up to ten (10) accumulated sick days to the Certified Sick Bank.

B. Any teacher who is otherwise entitled to sick leave with pay, who elected to participate, and who has exhausted all leave accumulation because of personal illness (including family illness days or physical disability), shall be eligible for Sick Leave Bank credits until he/she has fulfilled the qualifying period for long term disability insurance.

C. The Association shall have the full responsibility in granting, denying or suspending

grants of sick days from the bank. The Association may not grant more than the days necessary to fulfill the waiting period for Long Term Disability of the days granted for teacher illness.

D. Administrative provisions to implement this Article shall be mutually agreed to between the Board and the Association. They are as follows:

1. Purpose: The general purpose of the Sick Leave Bank is to help those members of the Sick Leave Bank who have used all their own sick leave to meet emergency, illness, injury or hospitalization of the teacher or a member of the teacher's household as defined by the IRS. The Sick Leave Bank may not be used for routine doctor's appointments.
2. Responsibility: A standing committee of West Noble teachers, representing all the buildings in the corporation shall be appointed by the Executive Committee of the West Noble Classroom Teachers Association. They shall have the responsibility for granting, denying, or suspending grants of sick days from the bank. Their decision shall be final. The secretary of this committee will keep records and report to the Superintendent's Office. It shall be the responsibility of the Superintendent's Office to notify the Sick Bank Committee when a participating teacher has exhausted his/her sick and family illness days.
3. General Procedure: As per Master Contract Article VIII, Section 3, any teacher may donate three (3) days to the bank at the rate of one (1) day each year for three years. When the accumulated days in the bank drop below two-hundred fifty (250) days, the teachers will be required to donate another day each. Failure to donate when requested will terminate the teacher's right to participate in the bank. Those who borrow from the bank shall continue to donate two (2) days a year until their donation is equal to the number they have personally drawn. They can voluntarily pay back more days if they desire. Upon leaving the West Noble School Corporation, the borrower must repay the Sick Leave Bank any accumulated sick days up to the number he/she has previously drawn if at the point of severance the borrower has any accumulation.
4. Procedure for Borrowing: The applicant, or a member of the applicant's family, will contact his/her building's Sick Bank representative. The representative will call a Sick Bank Committee meeting. The applicant will be notified of the decision. The Sick Bank application form will be filled out in triplicate. One copy will go to the Superintendent's Office, one will be kept on

file with the committee, and the applicant will retain the third.

5. If for any reason, repayment of the loan of the Sick Bank cannot be made by the borrowing teacher set forth in Article 3 Section 5 Paragraph D subsection 3, then the said teacher shall repay West Noble in cash for the sick leave days borrowed and not repaid in an amount equal to the daily rate of the teacher who borrowed for each sick leave day borrowed and not repaid. Such a repayment shall be at a daily rate of pay in effect at the time of each sick day that was borrowed and shall be due and payable when the teacher is no longer employed by West Noble. For each sick leave day repaid in cash as herein provided, West Noble, as to the time of said repayment, will contribute one sick leave day to said Sick Leave Bank; subject, however, to the limitations set forth in this Article 3. A member of this Association who passes away or is placed on permanent disability is exempt from repaying the outstanding balance of Sick Bank days owed.

### **Section 6 – Court Leave**

Court leave with pay shall be granted to teachers for the time necessary to make appearance(s) in any court proceeding resulting from activities relating to the teacher's employment with the School Corporation, except when the teacher is a plaintiff in court proceedings to enforce Section 14, Public Law 217, Acts of 1973. The Board will pay a teacher for court appearance resulting from a subpoena to testify in a court proceeding, the difference between what the courts pays the teacher and teacher's daily wage. However, if a teacher is charged in a school connected criminal matter requiring his/her appearance in court, pay shall not be granted if the teacher is proven guilty of the charge.

### **Section 7 – Jury Duty**

When requested, a teacher may serve on jury duty. The Board shall pay the teacher his/her full salary less any daily remuneration granted by the court; pay for court-incurred expenses shall not be considered as court pay and shall not be deducted from the teacher's salary; provided, however, the teacher will join with the School Corporation in requesting the court for an excuse from jury duty when, in the opinion of the School Corporation, the teacher's absence would create a hardship on the educational program.

When requested, a teacher may serve on an election board. The Board shall pay the teacher his/her full salary less any remuneration granted by the election board.

### **Section 8 – Bereavement and Funeral Leave**

Up to five (5) consecutive school days of absence, without loss of pay, within 8 days of the death, commencing with the first day requested by the teacher, shall be granted to a teacher for a death in the immediate family, including miscarriage.

Up to three (3) consecutive school days of absence, without loss of pay, within 8 days of the death, commencing with the first day requested by the teacher shall be granted to a teacher for a death of a niece, nephew, aunt, or uncle. The 8 day rule may be waived by the Superintendent in extreme circumstances.

PTO days may be used to extend bereavement without limitations.

If attendance for the visitation and/or funeral requires extended travel or if the teacher is involved in funeral arrangements for someone other than immediate family, the teacher may request additional leave from the Superintendent.

One (1) funeral day without loss of pay may be granted to a teacher for the death of someone outside of the above listed criteria with Superintendent approval.

### **Section 9 – Worker’s Compensation**

A teacher who is absent from work because of injury received on the job shall not be charged for use of sick leave days taken in connection with the injury as long as it is in compliance with the Indiana State Workers Compensation Law. The teacher will be paid by the School Corporation the difference between Workman's Compensation and his regular pay not to exceed the total dollar value of his total accumulated sick leave.

### **Section 10 – Professional Leave**

The Board agrees that two (2) professional leave days with pay may be granted for the following purposes:

Attending and/or participating in professional meetings relating to educational

workshops, seminars, or conferences sponsored by industry, professional associations, colleges, universities or governmental agencies concerned with public school matters.

The visitation to other school corporations or educational institutions for the purpose of observing instructional techniques or other instructionally-oriented programs.

For special education staff, an additional two (2) days may be granted for the purposes of writing/completing IEPs.

The Board agrees to provide sufficient funds to pay mileage, at the IRS standard rate which is incurred in connection with the above mentioned professional leaves within the boundaries of the State of Indiana or a two-hundred fifty (250) mile radius of the Corporation. Requests for other professional leave expenses may be paid by the School Corporation if a request for such additional expenses is made to the Superintendent or his designee prior to the use of the professional day leave. Teachers shall be expected to give adequate notification to the office of the Superintendent on the proper form.

Forms are available from the building principal, the personnel office, or the Association. Further, teachers may be requested to report the nature of the professional meetings attended and to give a resume of the program. The School Corporation has the right to limit the use of professional leave days to fifteen (15) percent of the teachers on any one (1) school day. In the event that the School Corporation exercises the right to limit the use of professional leave, the School Corporation shall limit the use of professional leave to the first fifteen (15) percent of the teachers who request professional leave for that day.

This section would not jeopardize any of the other provisions of the professional leave.

### **Section 11 – Association Leave**

A total of five (5) days may be used by teachers for Association business. These days must be approved by the Association Presidents. Three additional days are available if approved by the Association Presidents and the Superintendent. No one person shall use more than four (4) Association days in the one school year.

### **Section 12 – Notification of Teacher's Intent**

Notification will be given to the Board of Education, through the Superintendent of Schools, by April 1 of the teacher's intention for the forthcoming school year in order to reduce RIFs and to aid in planning for staff. This will apply to all teachers who have been granted a leave by the Board of Education and to retiring teachers. A statement of this condition will be given to the teacher who is granted a leave.

## **Article IV** **Retirement /Severance Benefit**

### **Section 1 – Insurance**

A teacher, as defined in Article 1 Section 2A, who is employed by the Board at the time of retirement or severance from employment, will be eligible for the following benefits provided the teacher has otherwise satisfied the requirements and conditions described below.

**Group Health Insurance** - Immediately following severance, the teacher and his/her spouse, if any, shall have the option of participating in the Corporation's current group health insurance plan if all of the following conditions are met as of the date of severance and thereafter:

1. While the retired teacher and spouse, if any, are enrolled in the health insurance plan, the retired teacher and spouse shall pay the entire insurance premium applicable to the insurance coverage, with the monthly payment to be made on or before the first day of each month.
2. Within ninety (90) days of the severance date, the teacher has provided a written request to the School Corporation for continuing insurance coverage of the teacher and spouse, if any. When a retired teacher first becomes eligible for Medicare, the teacher's eligibility to continue to participate in the Corporation's group health insurance plan shall terminate, if not earlier terminated according to applicable law. (The same termination of eligibility shall also apply when a retired teacher's spouse first becomes eligible for Medicare.) It is acknowledged that the parties intend these provisions to comply with applicable federal and state laws that establish an eligible teacher's right to continue health insurance for the teacher and spouse, including if otherwise applicable, Indiana Code 5-10-8-2.6.
3. In the event that there is a death of a current employee on the West Noble insurance plan, the corporation agrees to continue coverage and pay the

employer portion of the insurance plan for up to sixty (60) days following the date of death, provided the individual is on the family plan.

Term Life Insurance - The retired teacher may convert the School Corporations term policy into a whole life policy to continue coverage. To continue this coverage, the retired teacher must pay the entire insurance premium applicable to the insurance coverage according to the payment schedule of the new policy.

### **Section 2 – On Going Contributions to Severance Benefits**

The Corporation shall contribute 1% of each certified teacher's base salary annually into a 401(a) account in the individual teacher's name for the remainder of their contracted time at West Noble School Corporation. The base salary does not include extracurricular assignments, extended contracts, and/or other assignments above and beyond the base salary. For this calculation, base salary does include professional growth. This contribution will be made on a regular basis, no less than quarterly.

### **ARTICLE V** **403 (b) ANNUITY PLAN**

Each teacher may elect to make a salary reduction election and make tax deferred contributions, to a plan described in section 403 (b) of the Internal Revenue Code (the "Code") to the maximum limits allowed by the Code. The Board shall forward salary reduction money to the appropriate vendor monthly.

## **ARTICLE VII Grievance Procedure**

### **Section 1 – Definitions**

- A. A "Grievance" is an alleged violation or claimed misinterpretation or misapplication of a specified Article or Section of this Agreement.
- B. The terms "teacher" and "grievant" include any individual or group of individuals in the bargaining unit.
- C. The term "day" when used in this Article shall mean teacher days (as that term is used in the school calendar of 185 days). During the summer recess, the term shall mean weekdays (Monday through Friday).
- D. The term "building principal" includes regular licensed Principal or Assistant Principal at each educational institution in the system.

### **Section 2 – Grievant and Representation**

- A. An individual teacher or group of teachers may present a grievance and may do so with the aid of the exclusive representative. The exclusive representative will thus be given an opportunity to be present at all stages of the grievance machinery. The adjustment of any grievance shall not be inconsistent with the terms of this Contract. The purpose of the grievance procedure is to settle grievances which may arise at the lowest possible administrative level.
- B. The Association shall have the right to file system-wide grievances at Step Three, subject to the time limits of Step Two, paragraph 3.

### **Section 3 – Procedure**

Step One. A grievance may be initiated in one (1) of the following ways.

1. The teacher may approach the building principal concerned and discuss the matter on his/her own behalf.
2. The teacher may request that a representative of the Association accompany the teacher and in such case the building principal shall not initiate any consultation with the grievant prior to any scheduled meeting at which the representative is to be present.
3. The teacher may bypass this step of the procedure if the grievance is of a personal nature.

Step Two. In the event the grievance is not resolved in Step One, the grievant may file a formal grievance in writing with the building principal on the form shown in the Appendix.

1. The grievance form shall be filed in quadruplicate with one (1) copy for the Association, the grievant, the building principal, and the Superintendent's office.
2. The grievance shall (a) name the other teacher(s) involved, if any; (b) state the facts giving rise to the grievance; (c) identify the specific provisions of this agreement alleged to have been violated or misinterpreted; (d) state the contention of the grievant with respect to the grievance; (e) indicate the specific

relief requested; and (f) be signed by the grievant (s). In the case of an Association grievance under Section 2B, the grievance shall be signed by the President(s) of the Association.

3. The grievance should be filed as soon as possible, but any grievance not presented in writing in Step Two within twenty (20) days of the time the grievant knew, or reasonably should have known, of the grievance shall be deemed waived and shall not be processed.
4. The teacher may request a meeting with the building principal, and the Association representative may accompany the grievant. In any event, within three (3) workdays after receiving the written grievance, the building principal shall communicate his/her answer, in writing to the grievant and the Association representative, and said answer shall be attached to the grievance.

Step Three. If the grievance is not settled in Step Two, it may be appealed to the Superintendent of Schools by filing a written notice with the Superintendent. The statement of grievance should be submitted within three (3) work days from the time the employee has received a reply from the immediate supervisor concerning his/her original statement of grievance. The Superintendent shall give the answer in writing no later than three (3) work days after the receipt of the written grievance. A copy of this answer will be sent to the employee submitting the grievance as well as the President(s) of the Classroom Teachers' Association of the West Noble School Corporation.

Step Four.

1. If the grievance is not resolved in Step Three, the teacher may, within three (3) work days of receipt of the Superintendent's answer, appeal to the Board by filing the grievance and the building principal's answer, along with a written response of the teacher, if desired, with the office of the Superintendent who signs a receipt. Any such response by the grievant shall be attached to the grievance.
2. A meeting with the Board or its designated members shall be held within ten (10) work days following the receipt of such notice, and the Superintendent shall promptly notify the grievant and the Association of the date, the time, and the place where the appeal shall be heard. The Board's written answer shall be transmitted to the grievant and the Association within five (5) work days after the informal hearing.

Step Five. Within twenty (20) days after receipt of the decision in Step Four, the

Association, upon written notice to the School Board, may submit the grievance to advisory arbitration under and in accordance with the rules of the American Arbitration Association pursuant to the following procedure:

1. The two (2) parties, the School board and the Association, shall attempt to select an arbitrator by mutual agreement. If the two (2) parties cannot agree on the arbitrator, within ten (10) work days after notification is given, the arbitrator shall be selected in accordance with the rules of the American Arbitration Association.
2. The parties agree that neither party shall be permitted to present matters outside the scope of the grievance and its attachments.

#### **Section 4 – Powers of Arbitrator**

- A. The role of the arbitrator is advisory only. The arbitrator shall have no power:
1. To add to, subtract from, disregard, alter, or modify any of the terms of this agreement;
  2. To rule on the termination of services or failure to re-employ any teacher.
  3. To rule in regard to any claim or complaint for which there is another remedial procedure or course established by law or by regulation having the force of law, including but not limited to any matter subject to the procedures specified in the Equal Employment Opportunity Act, or other legislation, addressed to race, religious origin, sex, or age discrimination;
  4. To advise on any practice, policy, or rule of the Board unless such practice, policy, or rule shall be in conflict with this Agreement.
- B. The decision of the arbitrator shall be advisory and not binding on the Association, the Board, or the School Corporation.
- C. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association. All other expenses shall be borne by the party incurring them.

#### **Section 5 – Other Provisions Relating to the Grievance Procedure**

- A. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation.
- B. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participant (s) and are not valid basis for evaluations.
- C. Time limits herein may extend only by mutual written agreement, signed by the parties.
- D. Time limits herein apply to teachers on leave of absence, other than sick leave, as if such teachers were present and working.
- E. All steps of the grievance procedure shall be conducted during mutually agreed to times.
- F. If there is a failure at Step One or Two to communicate the decision on a grievance within the specified time limit, the grievant shall then have the right to appeal at the next step of the procedure.
- G. Any grievance not advanced from one step to the next within the time limits and if not processed by the teacher or his/her representative shall be deemed resolved by the answer at the previous step. Any answer not received from the Board or its representative as outlined previously in this Article shall cause the implementation of the remedy sought by the grievant.
- H. Any grievance which arose prior to the effective date of this Agreement shall not be processed.
- J. No teacher shall use the grievance procedure to appeal any decision of the Board or Administration if such decision is pursuant to any order of or compromise agreement with any State or Federal regulatory commission or agency.
- K. This step is the last appeal.
