OUR MISSION

The San Mateo-Foster City School District provides rigorous, high-quality, and equitable education while partnering with our families and community to support all students to achieve their full academic, social, and emotional potential.

ACKNOWLEDGEMENTS

This resource guide was created through the leadership and collaboration of the Sanctuary Task Force for families to have easy access to a variety of resources that can support families in our community.

Our goal is to ensure that every family in our community has access to the resources they need to thrive. We believe that by working together, we can build a stronger, healthier, and more equitable community.
