

UPSTANDER

MIGSAEL ZABALLA

He exemplifies academic excellence and an extraordinary commitment to his passions and community. He consistently achieves top grades in his courses, demonstrating a high level of dedication to his studies. Beyond his academics, Migsael's passion for soccer is evident through his leadership on and off the field. He has co-founded a soccer club on campus, where he fosters a supportive environment for students to improve their skills in the sport. He does volunteer work on the weekends, teaching students with disabilities how to play soccer. His selflessness and initiative make him a remarkable role model for his peers.

Nominated by: Ms. Vasquez, 11th Grade Academic Counselor (O-Z)

UPSTANDER

AUSTIN ANGELES

Austin is not only a wonderful student, but he is also a good friend and role model in class. There have been two instances where there was something that needed to be cleaned up and Austin immediately started to help out even without being asked or being near that area. This is a small insight into the remarkably talented and emotionally intelligent individual that Austin is. I

wish I could nominate him every month! He rocks!

Nominated by: Ms. Baker, Biology & AP Environmental Science Teacher
