

Spanish Classes @ Imlay K-3rd grade

Adventures in Spanish introduces children and parents to Spanish language and culture through the magic of songs, play, and more! Our approach involves more than just teaching words and phrases; it's about creating lasting connections and fostering a deep appreciation for the Spanish language and culture. By harnessing the joy of music, hands-on play, and a variety of gross motor activities, we enrich your child's early development and education. Join us as we set them on an exciting path towards bilingualism and cultural appreciation.
