UNM-ABQ Dual Credit Newsletter

October 2024

Spring 2025 Applications Due by 12/2!

Greetings!

I hope your semester has been going well. Ours has been full here. Last week, we celebrated National Transfer Student Week. As part of the week-long festivities, we had our Grand Opening of UNM's Transfer & Transition Student Center. It serves not only our transfer and branch transition students, but also Dual Credit students! For your students attending courses on campus, they are welcome to visit our center, have some refreshments or hang out and study. They will need to have their UNM student ID# (or LoboCard) handy to check in. For information on the center, please see the announcement from the UNM Newsroom <https://news.unm.edu/news/unm-opens-center-to-provide-support-for-transfer-students>.

REMINDER - the Spring 2025 dual credit application are due IN FULL on Monday, December 2nd. **We will not be accepting applications after that date.**

Students should do BOTH the UNM Dual Credit application and the Major/Career Interest form at the same time (not required for students taking dual credit at high school). When I get the MCI form, I email the student (cc to counselor and the advising unit) directions on who with and how to make the advising appointment. The webpage for application link, MCI form link, NM Dual Credit Request form, and other important info and deadlines are found at <https://advisement.unm.edu/dual-credit/admissions-process.html>. As a reminder, students must meet eligibility requirements to apply.

ALSO –official high school transcripts must be provided to dualcredit@unm.edu (returning UNM students from fall 2024 do not need to submit high school or college transcripts) **NOTE:** If new students have done college courses elsewhere than UNM, those official transcripts **MUST** be submitted to admissions at the same time as doing the dual credit application. Those transcripts can be sent directly to apply@unm.edu

The Schedule of Classes is available now at <https://schedule.unm.edu/> With information on course options discussed with their academic advisor, the student and you can complete the NM DCR form at that time (see link in above paragraph). The timeline on page 2 is helpful.

Best always~ Danielle

Would you like us to visit your school in Spring?

It is helpful to have the following information:

- Date/time we need to be present
- Room/location at the school
- Check-in location
- Counselor cell # helpful
- Provide a Zoom link if virtual meeting
- For in-person presentation, school needs to provide:
 - *computer/laptop & stand or table to set it on

Do you have any questions, thoughts, ideas, or suggestions for us? We would love to hear from you! Drop us a line at the email on page 2.
