- **Attention BUC STUDENTS.** Do you want to create a positive change on your school campus? Do you want to be part of a movement that promotes healthy relationships? Do you want to become an advocate against violence? THEN SIGN UP TO BECOME A PEER LEADER in Margaret's Place. This Peer Leadership group will not only help you develop leadership skills, build confidence, and strengthen your ability to advocate, but you will also learn how to support survivors of violence, help a friend who is experiencing or witnessing violence, and be part of the change that can help end the cycle of violence. If you want to learn more, please attend the Info session this Friday, November 8th, during lunchtime in room 512 and pick up an application!
