Gillette, WY 82717

Re: Plan One Letter of Intent

Dear Mr. Mathes and Members of the Selection Committee:

Plan One/Architects and the design team are excited about this project and we accept the award of the Campbell County School District No. 1 Transportation Facility.

Our team is pleased to provide the project services as presented with a design fee of \$962,288.00, plus reimbursable expenses not-to-exceed \$25,000.00, to complete the work as outlined in the Request for Proposal. Our fee as provided includes all consultants and was determined based on the project budget listed in Addenda No. 2.

We are grateful for the opportunity and look forward to getting started on your upcoming project!

Thank you,

Taylor Lee, AIA
President
