HRS Galactic GALA & AUCTION

Dear Community Business,

Hello from Hamlin Robinson School! We are the only school in Washington exclusively serving the unique academic needs of students with dyslexia. Since 1983, we have helped ignite the academic and creative potential of thousands of students with dyslexia and other language-based learning differences.

Literacy is at the forefront of societal need, and Hamlin Robinson School works to bring literacy to students who might otherwise fall through the cracks. HRS trains teachers to deliver the most effective known literacy instruction – and we share our expertise with the wider community.

HRS will hold its annual auction on Saturday, March 22, 2025, at the Museum of Flight. Funds raised ensure HRS remains accessible to as many students as possible. We currently enroll students from four counties and 70+ zip codes!

Your support would make a meaningful impact on our auction's success. We welcome donations of goods, services, or cash – every contribution strengthens our cause. For inclusion in the auction catalog, please submit any donations by February 21, 2025.
