Welcome to Burbank Adult School! Our Mission is as follows:

The mission of Burbank Adult School is to meet the diverse educational needs of the District and community by equipping lifelong learners with the skills they need to reach their academic, career and personal goals.

About the Burbank Adult School

Adult education began in Burbank in 1937. Classes focused on academic courses and were offered at Burbank High School, John Burroughs High School, and Burbank Continuation High School. Through 1940, the focus of adult education shifted to aircraft, shipbuilding, and war training-related courses. In 1945, there was a shift in emphasis, widening the variety of general adult education courses to include foreign languages, citizenship, public relations, and adding a day program.

In 1960, the first course in English for new Americans was created, and by the 1970s, the English as a Second Language and the Parent Education Departments were established. Over the 1980s and 1990s, the adult education program increased in offering and size. During the year 2000, the ESL program expanded into various industries and also began both the Community Based English Tutoring and Distance Learning programs, as well as the courses for older adults and Vocational ESL.

Today, Burbank Adult School has a large ESL program that consists of core ESL classes, Conversation, Citizenship and Vocational classes for ESL students. Additional programs are Parent Education, Adult Basic Education, High School Diploma and GED, and a large number of Personal Enrichment classes, like Art, Chorus, Drawing, Spanish, American Sign Language, and many others.

Accreditation

Burbank Adult School is fully accredited by the Western Association of Schools and Colleges (WASC). Accreditation is a process that approves a school's qualifications to provide education and training to students. Accreditation promotes excellence and ongoing improvement for our school.

Schoolwide Learner Outcomes (SLOs)

Students will be dedicated learners who:

- Develop and implement meaningful educational, career, and personal goals.
- Demonstrate persistence, focus and responsibility for successful completion of the program in which they are enrolled.

Students will be effective communicators who:

- Comprehend, analyze, and respond appropriately to verbal, print and visual media.
- Actively participate in their communities as productive and civically-engaged members.

Students will be lifelong learners who:

- Pursue educational, college, career, and/or enrichment pathways and opportunities for their families and themselves.
- Research and utilize community resources effectively.
- Maintain and improve adaptive life and technology skills in a global society. Students will be critical thinkers and problem solvers who:
- Demonstrate the ability to process, evaluate and integrate information from a wide variety of sources.
- Analyze various data effectively in order to increase personal and workplace productivity.

Student Services

Counseling

Counseling services include vocational, educational and personal counseling information. Students may make an appointment with a counselor at extension 33910 or in the counseling office, room A115. The Counseling / College and Career office is open Monday through Thursday from 8:00 am to 8:30 pm. Friday 8:00 am to 4:30 pm. Saturday 7:30 am to 2:30 pm.

CASAS

CASAS (Comprehensive Adult Student Assessment System) Tests are designed specifically for adult students. They do not measure intelligence; they only measure your ability in a specific skill. All students who enter ESL classes will be administered a pre-test and several weeks after a post-test. CASAS testing happens in all California adult schools. Federal funding is based on how much you improve from your pre- to your post-test. CASAS testing has nothing to do with immigration, welfare or the court system. Only school officials will see your test scores.

CalWORKs

The Burbank Adult School provides verification services for CalWORKs/GAIN trainees. Please contact Jill Thomas in the main office at extension 33904 for more information.

Student Council/Safety Committee

The Burbank Adult School provides a variety of ways for students to directly impact improvements in the school. One way is with the student council. Each class is asked to select a student to represent their class in the student council. Meetings varied throughout the year. Please contact Elvis Carias in A103 (BAS).

CCAE (California Council for Adult Education)

The mission of CCAE is to take a leadership role in promoting adult education, providing professional development, and effecting change to serve the needs and interests of adult education. It is the only organization that fights strictly for adult education. During these times of budget cuts, it is vital for staff, students and friends of adult education to join CCAE.

Attendance Requirements

Your instructor expects you to come to school every day, be on time, stay the entire time and do your best. It is very important that you attend every day. Due to the intense nature of the program, it will be very difficult for you to make up what you are missing if you are not in class. We are asking you to make a serious commitment to attend class every day.

LARAEC Student Resources

WHATSNEXT.LA is provided by the Los Angeles Regional Adult Education Consortium, including Burbank USD, Culver City USD, Los Angeles USD, Montebello USD, and the Los Angeles Community College District. Visit <https://laraec.org/whatsnextla/> to find information on a path to getting a new job or getting a better job, learning English, earning a high school diploma, or preparing for college through adult education in Los Angeles. Your local school districts offer free or low-cost options.

Goals and Goal Setting

Success doesn't come from setting goals. Setting a goal won't make you successful. What makes you successful is the achievement of the goal, which is accomplished step-by-step. The secret to getting the goals you set begins with setting **short-term goals that lead to long-term goals**. Please think about why you want to learn English and share your thoughts below. Your teacher will work with you more on goals and goal setting.

1. Why do I want to learn English?

2. What is the most important thing I want to be able to do with my English by the end of the program?

Opportunities to Practice English with Native Speakers

By taking another class at the Burbank Adult School you can have opportunities to practice English with native speakers. It's a great way to meet Americans and practice your English while learning something interesting. Here are a few suggested classes to consider that don't require advanced English:

Beginning Drawing

Chorus

Gentle, Mindful Yoga

Customizing Online Photo Books

First Aid/CPR

Computers for Beginners

Stock Market Boot Camp

The best way to learn English is to have good study habits and speak English in your daily life.

I. ENGLISH IN THE CLASSROOM

The following good study habits in the classroom will help you learn English. **A.**

Organize your time.

- Each term, write your class dates and hours on a calendar so you know when to go to class.
- Go to class as often as possible! **B. Come to class prepared.**

When you attend class, bring the following:

1. pencil or pen
2. notebook
3. handouts from class
4. ESL textbook (if purchased)
4. ESL Workbook
5. dictionary
6. Orientation Guide

C. Learn by participation in class.

- Listen and pay attention. Ask questions.
- Speak English. *Don't be afraid to make mistakes! It is normal!* **D. Communicate with your teacher.**
- Tell the teacher about absences and work or family obligations.
- Talk to the teacher if you are having problems in the class or if you feel like you are not learning.

E. Speak with your classmates outside of class.

- Exchange phone numbers and/or email addresses with classmates who do not speak your native language. Call each other and talk about your homework and what you are learning about. Take trips with your classmates (the library, the park) and speak English.
- Find a friend who will meet you and practice speaking English over coffee once or twice a week.

II. LEARNING ENGLISH AT HOME

- Read in English at least 4 times a week. Ask your teacher for suggested books and other resources at your level. You don't need to understand every word!

- Keep a journal in English. Your writing doesn't need to be perfect – just write! Ask your teacher for suggestions.
- Watch TV in English. Use closed caption TV. You can follow the subtitles in English.
- Rent movies in English.
- Listen to the radio. Listen to music and ask your teacher or your classmates to help you understand the words to a favorite song.
