HOOSIER

— the Kitchen Cabinet that saves miles of steps

"My best Christmas gift— more leisure all year"

EVERY home should have its Hoosier, for every housewife deserves the many benefits it brings. And there's no more fitting time to get it than at the Christmas season.

The gift of a labor-saving Hoosier expresses the intimate thoughtfulness every home-maker appreciates. It makes her work easier and more enjoyable all year. It makes her workshop more attractive and adds to the pride of home.

Surrounded by many patented conveniences found only in the Hoosier, the housewife sits at her work instead of walking to and fro. Thus she saves miles of steps.

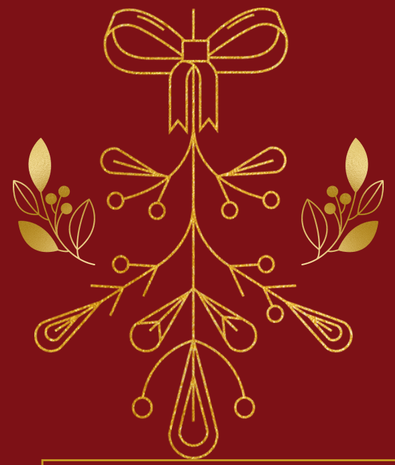

Because utensils and supplies are centralized in the Hoosier, much work is saved. By preventing waste in measuring and mixing, foods are saved.

Hoosiers are sold almost everywhere. If your kitchen still lacks this greatest convenience when Christmas has passed, be sure to visit the home of the Hoosier in your town and see an actual demonstration. If you don't know this merchant's name, please write us.
