BosMUN & BUIAA

The Boston Model United Nations Conference (BosMUN), is a three-day high school-level simulation of the United Nations held annually on the first weekend of February in the Boston Marriott Copley Place. BosMUN is the premier training conference in the Northeast, aiming to teach students skills in public speaking, diplomacy, and problem-solving that they can apply to the real world. Our conference is an undergraduate-run organization based on the Boston University campus and was established in 2000. It operates as a branch organization of the Boston University International Affairs Association (BUIAA).

BUIAA is the parent of many branches involving a diverse group of students from all schools and colleges within Boston University. In addition to BosMUN, they host a premier college-level Model UN conference in late September named BarMUN. Some of the other branches include a top ten ranked Model UN Travel Team, a community service-centered group known as Students for the UN (SUN), and a journal known as the International Relations Review (IRR). From the beginning, BUIAA and its branches have excelled in their fields by providing the best opportunities for participating undergraduates as well as outside stakeholders who appreciate the organization's work.

The Conference

Entering its 24th iteration, BosMUN will feature committees of all shapes, topics, and sizes to accommodate the over 1,800 delegates in attendance. We aim to create an all-inclusive, educational, and diverse atmosphere for every high school student attending our conference. At BosMUN, delegates have the chance to delve into the world of international affairs, public speaking, and diplomatic skills while utilizing creative freedom in their various committees through policy debate. Students assume the role of UN representatives and members of other international bodies and national cabinets to debate day-to-day issues that confront world leaders, and eventually draft resolutions in response. During the conference, students will learn the importance of balancing national interests with the needs of the international community, while also learning about the powers and limitations of international negotiation. Delegates must strive to preserve their countries' foreign and domestic policies while also negotiating in the face of other, usually conflicting, international policies.

The Mission

True to the spirit of the United Nations, BosMUN hopes to reach students within the Boston University community and in the international high school community to provide students with enriching academic debate and to teach leadership skills. Through creative planning, critical thinking, public speech, compromise, and negotiation, we cultivate an environment to engage our future diplomats, politicians, and general leaders by simulating significant current, historical, and future events where they can make lasting changes.

SECTION:	1000
CATEGORY:	Community Relations
POLICY CODE:	1316/Civility and Respectful Conduct

CIVILITY AND RESPECTFUL CONDUCT

Policy Statement

It is the intent of the Trumbull Board of Education (“the Board”) to promote mutual respect, civility, and orderly conduct among parents/guardians, students, District employees, and the public. It is not the intent of the Board to deprive any person of his or her right to freedom of expression. The intent of this Policy is to maintain, to the greatest extent reasonably possible, a safe, harassment-free workplace for students, teachers, administrators, other staff, parents/guardians, and other members of the community. In the interest of presenting teachers and other District employees as positive role models, the Board encourages positive communication and discourages disruptive, volatile, hostile, or aggressive communications or actions.

The Board recognizes that education of children is a process that involves a partnership between a child’s parents/guardians, teachers, school administrators, and other school and Board personnel. The Board recognizes that parental/guardian participation in their child’s educational process through parent/guardian/teacher conferences, scheduled classroom visitation, serving as a school volunteer, serving as a field trip chaperone, PTA participation, and other such service is critical to a child’s educational success. For that reason, the Board welcomes and encourages parental participation in the life of their child’s school and the District as a whole.

However, from time-to-time parents/guardians, visitors to the District, and District employees act in a manner that disrupts the educational process, the work of District employees, or school activities. This type of conduct can be threatening and/or intimidating to students, District employees, parents/guardians, and visitors.

The purpose of this policy is to provide rules of conduct for parents, other visitors to schools, and District employees which encourage civil communication between parents, other persons, and District employees, and to empower the Board to identify and address those behaviors which are inappropriate and disruptive to the operation of a school or other District facility.

PUBLIC CONDUCT AT SCHOOL-SPONSORED ACTIVITIES

Policy Statement

Spectators are permitted and encouraged to attend school-sponsored activities, including sporting events, as guests of the District, and accordingly, as a condition of such permission, they must comply with the District's policies. Spectators, just like the student participants, are expected to display mature behavior and sportsmanship. Failure of spectators to do so is disruptive and embarrassing to students, the school district, and the entire community. At school-sponsored activities, it is the policy of the Trumbull Board of Education that spectators not be allowed to interfere with the participation of students, the enjoyment of other spectators, and/or the performance of employees and/or supervising officials.

Good sportsmanship is viewed as a commitment to fair play, ethical behavior, and integrity. In perception and practice, sportsmanship is defined as those qualities that are characterized by generosity and genuine concern for others. The ideals of sportsmanship are critical and apply equally to all. All individuals, regardless of their role, are expected to be aware of their influence on the behavior of others and to model good sportsmanship. Any spectator using or shouting inappropriate or abusive language will be removed from the activity and may be charged with disorderly conduct. The school will cooperate with law enforcement personnel to ensure spectator, participant, and employee safety and enjoyment.

Regulations

I. Standards of Appropriate Conduct

To protect the rights of students to participate in school-sponsored activities without fear of interference and to allow sponsors and officials of such activities to perform without interference, the following provisions shall be in effect:

1. Abusive verbal or physical conduct of spectators directed at participants, officials, or staff involved in such activities will not be tolerated.
2. Verbal or physical conduct of spectators that interferes with the performance of students, officials, or staff involved in such activities will not be tolerated.
3. The use of all smoking products, tobacco products, drugs, and alcohol is prohibited at all times in all school facilities, in all school buildings, on all school property, both inside and outside, and on all buses or other transportation vehicles under the jurisdiction of the Board of Education. The use and/or possession of all firearms is prohibited at all times in all school facilities, in all school buildings, on all school property, both inside and outside, and on all buses or other transportation vehicles under the jurisdiction of the Board of Education.

II. Notification of Standards of Appropriate Conduct

The following guidelines may be used to notify the public of the level of conduct expected of them:

1. Staff may make an announcement at the beginning of an activity letting those present know the conduct expectations and that a violation could warrant removal from the activity.
2. Staff may post signs at the entrance to the facility where the activity is taking place stating that individuals whose conduct violates Board policy may be removed from the activity.
3. Lack of an announcement or signage shall not constitute a waiver of Board regulations.

III. Guidelines for Removal for Inappropriate Conduct

1. If a spectator at a school-sponsored activity engages in inappropriate conduct, including, but not limited to, becoming physically abusive or verbally abusive, using vulgar, obscene, or demeaning language, in any way impeding the performance of an activity, and/or using smoking products, tobacco products, drugs, alcohol, and/or firearms, the spectator will be asked to leave the event by a school official and/or by the police.

1316.1/Public Conduct at School-Sponsored Activities

2. For all other conduct, the offending individual will typically first be given a warning to allow him/her to correct the misconduct. Upon continued misconduct, either at the same or at a future event, a school official will ask the individual to leave the event.
3. Following any removal, a school official will follow up with a letter to the individual, if known, or to an official at the school the individual attends, if known. A number of issues should be addressed in the letter, including: conduct expectations of spectators; the individual's current banishment from future activities; and a timeframe as to if/when/how the individual will be allowed to return as a spectator.

Subject: September 2024 Financial Report

Attached for your review is the September 2024 Financial Report that was presented to the Board of Education Finance Committee on October 31, 2024. This report covers the first quarter of fiscal year 2024-25. I have included my notes with the report to address potential questions which may arise as well as graphs on total spend to date, salaries, benefits, and utilities. Also, included in the package are draft minutes from the October 31, 2024 and the approved minutes from the September 12, 2024 Finance Committee meetings.

If there are additional questions, please send them to phendric@trumbullps.org or call me at 203-452-4332.

October 31, 2024 – Board of Education Finance Committee Report

Operating Budget (001):

- 1) The summary sheet shows that the general fund has an available balance of \$3,457,566; however, it is premature to make any predictions about yearend balances for a few more months. Many items have yet to be purchased or encumbered.
- 2) The package includes both the “By Object” and “By Location” financial statements.
- 3) The presentation begins with four graphs: Total Budget, Salaries, Benefits, and Utilities which illustrate the cumulative spend as a percentage of the respective budget at year end.
 - a. Cumulative Total Board of Education Budget % by Month: 17.8%
 - i. In the past three years this has ranged from 14.7% => 15.3%.
 - b. Salaries (which are approximately 65.5% of the budget): 11.3%
 - i. In the past three years this has been 11.1% each year.
 - c. Benefits (which are 17.8% of the budget) spent: 23.4%
 - i. In the past three years this has ranged from 22.3% => 23.9%.
 - ii. Salaries and benefits make up 83.3% of the budget.
 1. So, five dollars out of every six is spent on personnel related items (salaries + benefits).
 - d. Utilities (Electricity + Water) spent YTD = 24.1% of budget.
 - i. Last three years: 16.0% => 19.3%
- 4) There are a few items I would like to point out under the categories below (please refer both to the two-page summary and the fifteen-page detailed general fund financials in the package).
Reviewing the standard nine object codes for September and their available balance:
 - a. **Salaries (51XX): \$1,177,171**
 - i. Most of the deficit in the Admin/Supervisors line is due to a miscoding of one person.
 - b. **Employee Benefits (52XX): \$322,664**
 - i. The available balance in health benefits is due to a lower than projected number of people taking benefits; however, hiring is continuing and this available balance will decrease over time.
 - ii. A couple more months are necessary to establish run rates for FICA and unemployment.
 - iii. Under Other Benefits, the amount for 401(A) has been increasing over the years and bears watching.
 - c. **Purchased Professional Services (53XX): \$174,895**
 - i. The primary contributor to this available balance is Other Professional Services (\$126,487). Three items make up most of the available balance:
 1. Curriculum Director – Other Professional Services: \$10,000
 2. THS Music – Other Professional Services: \$18,225
 3. Sports – Sports General – Other Purchased Services: \$75,578
 - d. **Purchased Property Services (54XX): \$114,515**
 - i. Utilities has an available balance = \$67,130; however, YTD it is quite likely that it will be over budget primarily due to the public benefits charge.

1. This could have a \$250,000 negative impact on the budget.
- ii. Repairs & Service Fees available balance = \$23,572
- iii. Copiers available balance = -\$12,248
- iv. Other Purchased Property Services available balance = \$36,062
- e. **Purchased Other Services (55XX): \$22,551**; major items are:
 - i. Transportation = \$64,256
 1. The District has made prepayments (Aug => Jan) for Home-to-School, Special Education In-District, and Monitors.
 2. This payment allows the District to take advantage of the 1% prepayment discount.
 - ii. Interns = \$321,000 (since encumbered)
 - iii. Tuition = -584,343
 1. PPS – Outplaced Tuition = -\$587,041
 - iv. Other Purchased Services = \$156,211
- f. **Supplies (56XX): \$910,221**
 - i. Supplies Teaching = \$369,207
 - ii. Texts & Workbooks = \$144,439
 - iii. Testing Materials = \$122,732
 - iv. Energy = \$100,000 (Natural gas)
- g. **Property (57XX): \$278,419**
 - i. Classroom equipment = \$266,073
 - ii. Building equipment = \$10,560
- h. **Debt Service & Miscellaneous (58XX): \$21,000**
- i. **Other Objects (59XX): \$0**
 - i. The \$331,615 credit consists of the following items:
 - ii. Credits from the following accounts: Total = \$551,615
 1. \$300,000 from the Athletic Fund
 2. \$100,000 from E-Rate (Technology)
 3. \$66,300 from Magnet School Transportation
 4. \$85,315 from the Food Service Allocation
 - iii. Expenses for the following accounts: Total = \$220,000
 1. \$150,000 for Strings / Band
 2. \$70,000 for ELITE
 - iv. There was no activity in this object during this reporting period.

Town Accounts (009)

- 1) Year-to-Date (YTD spend) = \$535,784 (43.7%); budget = \$1,297,129.
- 2) Please note that NP Bus expense covered August => January.
 - a. This item is 81.7% of the entire budget.

Student Activities Accounts (100)

- 1) The balance of accounts decreased \$83,699 from \$441,204 (7/01) to \$357,516 (9/30).
- 2) The accounts with the largest changes were:
 - a. The Hillcrest student activity fund decreased \$5,861.

- b. The THS Athletic Fundraiser increased \$10,000.
- c. Due to 001/Town was reimbursed \$83,278.

Grants (200)

- 1) Several grants have a negative available budget: The Title grants are usually not funded until early December and funded amounts normally exceed the prior year's funding. HeadStart is not funded until after the start of the Federal fiscal year (October 1st).

Special Revenue Funds (205)

- 1) There are five accounts in deficit in Special Revenue Funds:
 - a. Continuing Education: -\$53,839, due to a lag in revenues and having the salaries encumbered for the entire year.
 - b. Strings / Band: -\$145,947 due to salaries being encumbered for the entire school year.
 - c. ELITE: -\$140,859; the majority of the deficit is due to encumbering the estimated full year's expenses while revenues are only recognized when received.
 - d. Note that \$150,000 has been set aside for Strings / Band and \$48,000 for ELITE in the Other Objects (59XX) budget category (refer to Other Objects (59XX) above).
 - e. The Voluntary Insurance account is a self-liquidating account.
 - i. This means that each month employees who signed-up for additional life insurance make a payment. These payments reduce the deficit.
 - ii. Through September 30th the account is \$248,153 in deficit, comparable to \$254,169 in deficit last year.
 - iii. Monthly payments are between \$25,000 and \$30,000.

Food Service (210)

- 1) In the month of September, the District posted a \$32,923 loss.
 - a. During the month \$103,549 was spent on capital.
 - b. Without this expenditure, September would have had a \$70,626 profit.
- 2) Claims through September were \$97,284.47; nothing has yet been received. The claims normally take three weeks to process.
- 3) At September 30th, the District's cash account = \$2,095,547 while the "Due to Town Account" = \$259,714 resulting in a \$1,835,833 net cash position.

Scholarships (300)

- 1) The balance of the Scholarship Fund at 9/30/2024 was \$168,894 an increase of \$500 from \$168,394 at 7/01/2024. The increase was due to contributions to the Chelsea Cunha fund.

Transfer

- 1) A Special Education Transportation invoice (in package) was incorrectly coded to Non-Public Buses (in 009 Town Account); example in package.
- 2) It is requested that \$79,889.79 be approved to be transferred from the Non-Lapsing Account to the General Fund for 2023-24 to fund this miscoding.
- 3) If approved, this transfer will be placed on the Board of Education agenda for the November 12th meeting.

Finance Committee of the Trumbull Board of Education **Special Meeting Minutes**

Date of Meeting: Thursday, October 31, 2024

Attendees: Committee Members: Jackie Norcel (Chair) and Julia McNamee; Staff: Paul Hendrickson and Peg Brindisi.

Location: Long Hill – Ellie’s Room

The meeting was called to order at 3:02 pm.

The minutes of the September 12, 2024 special meeting were approved 2-0 (Ms. McNamee moved; Ms. Norcel seconded the motion).

Mr. Joe Chella, Director of Human Capital and Talent Development, was unable to attend due to sickness. He will be rescheduled for a future meeting.

Mr. Hendrickson presented the financial statements as of September 30, 2024 (first quarter 2024-25 financial statements). He pointed out that the available balance was approximately the same as September 2023. He also stated that the Public Benefits charge would cause the electricity account to be over budget; however, that might be mitigated to some extent by reduced health benefits expense.

In reviewing the Food Services financials, Mr. Hendrickson said that the statements would have shown a profit, but significant capital expenditures were made during the month. Also, the September claim was received on October 28th.

Mr. Hendrickson presented the proposed transfer from the Non-Lapsing Account to fund a miscoded transportation invoice and an audit invoice – both chargeable to the 2023-24 fiscal year. The proposed transfer of not to exceed \$83,000 was approved 2-0 (Ms. McNamee moved; Ms. Norcel seconded the motion).
