Central High School (Central) offers a range of alternative programs in the Morgan Hill Unified School District from in person learning to online coursework via Edmentum and CyberHigh for the Independent Study Program. Central is located in a fast-growing suburban area that has managed to retain an aura of a small town. Students come from the cities of Morgan Hill and San Jose as well as the unincorporated areas of San Martin. The student population reflects the rich ethnic and social economic diversity of the population living in the area.

CEED Code: 054- 524

School Enrollment: 82 students
Senior Class Size: 37 students

Teaching Staff: 8
Administrators: 1
School Counselors: 1

Central Grading System:

Students enrolled in Central's core program earn 2.5 credits per course each marking period, based on the following grading scale: A (100-90%), B (89-80%), C (79-70%), D (69-60%), and F (below 59%). Central High School conducts a six-period schedule with new grading periods every six weeks. Students have an opportunity to complete credits every six weeks.

Independent Study/Edmentum Grading System:

Students enrolled in the Independent Study Program hosted via Central take a-g course via Edmentum Courseware earn 5 credits per course on the following grading scale: A (100-90%), B (89-80%), C (79-70%), D (69-60%), and F (below 59). The a-g course catalog available through Edmentum can be found [here](#).

Edmentum offers a range of courses including, but not limited to: English (9-12), Integrated Math (I, II, III), World History/Social Science, US History, Science (Biology, Chemistry), World Languages (Spanish, etc.), Statistics, Financial Math, Art, Photography, Economics, and numerous others.

Edmentum coursework offered through Central is articulated with the University of California/California State Universities
