WELCOME TO REMOTE LEARNING

Dear Families,

Today marks our third remote learning day, and you'll find the assignments posted in the newsletter. Some assignments are available on Schoology if your student is able to access it, but there is also an alternative option to ensure everyone can participate.

It's been too long since we've all been together, and I'm truly looking forward to seeing students back in person on Tuesday! I'll be available on Zoom again today if you have any questions, or you're welcome to call or email me directly.

Thank you for your continued patience and support as we work through these remote days.
