Students can work on Progress Learning daily to help prepare them for their GMAS/End of Course Test which counts as their final exam for the 4 GMAS/EOC courses.

All students have access to Progress Learning. The purpose of the Progress Learning site is to help students improve in their school subjects by providing practice and learning activities that match what they're studying in class. Students can access Progress Learning through the Clever App.

Progress Learning Student Account

Students can access Progress Learning via Clever.

1. Log into Rapid Identity/Clayton Portal
2. Open Clever (Log on via Rapid Identity)
3. Click Progress Learning
