

Preschool Flex-Learning Choice Board

3-year-old classes

We encourage you to spend time with your child today.
We have listed some optional ideas below of things that you can do together. Pick what works for you!

Use pots/pans/bowls/
and spoons and make
music.

Look in the mirror and
make a happy face.
Try a sad, scared, mad,
or silly face too!

Draw or scribble a picture.

Play Hide-and-Seek.
Count as high as you can
before you start looking
for the person hiding.

Have your caregiver
read you a book in
the dark! Use a
flashlight if needed.

Letters Hide and Seek.

Write the letters in your child's name on small
pieces of paper and hide them. Have your child find and
identify the letters.

Make a meal together.

Bring the snow inside!
Wear your mittens and
see what you can build.

Build a fort!

Fill a large container with snow and bring it in for
your child to explore.

Play catch with an
object.

Tell your caregiver a
story about one of your
stuffed animals.

Match socks with your
caregiver.

Try a ball, stuffed animal, pillow, rolled socks, or other soft
items.

Write down your child's story as they tell it to you. Read it
at bedtime.
