

Preschool Flex-Learning Choice Board

4-year-old classes

We encourage you to spend time with your child today.
We have listed some optional ideas below of things that you can do together.

Your teacher would love to see pictures of the fun things that you are doing. If you would like to share, send on Seesaw!

Play Guess that Feeling!  Take turns making a feeling face. Your partner can guess what it is.	Look for circles in your home. Count how many you find.  If this is easy, try a rectangle, square, and triangle too!	Draw a picture.  Have your child tell you about their picture. This helps build vocabulary and pre-reading skills.
Put on some music and dance! 	Read a book in the dark! Use a flashlight if needed. 	Letters Hide and Seek.  Write letters on small pieces of paper and hide them. Have your child find and identify the letters. Start with the letters in their name!
Deliver a smile to someone you care about!  Draw a big smile on a piece of paper. Add a note if you wish! Mail it to someone or deliver it to a neighbor.	Make a collage. Tear colored paper and glue on paper.  This helps build the small muscles in their hands that are used for writing.	Build a fort! 
Play catch with an object.  Try a ball, stuffed animal, pillow, rolled socks, or other soft items.	Make a meal together. 	Practice putting on your coat and zipping it!  Encourage your child to keep trying and give them verbal directions to help if needed.
