**Iberville Parish Schools**  
**Athletic Event Stipend Schedule**  
*Effective July 1, 2024*

The Iberville Parish School Board recognizes that working athletic events has traditionally been a part of the normal work duties for teachers and school employees and provides for the assignment of such duties in job descriptions for applicable staff. It is also understood that for non-exempt employees, the Fair Labor Standards Act (FLSA) regulations must be followed. The Board also recognizes that due to differences in faculty sizes and number of sports offered at the various schools, there is a variance in the expectations of staff when assigned to work events. As a result, the Iberville Parish School Board has adopted the following flat rate stipend schedule for all employees who work athletic events on a voluntary basis. The Superintendent shall determine the number of workers for each event based on the recommendation of the parish athletic director. The Superintendent may add athletic events to the stipend schedule as sports are added in the parish.

To: Iberville Parish School Board Members  
From: Louis Voiron, Jr., Ed.D., Superintendent

RE: 2024 Legislative Stipend for School Employees

As you are aware, in the 2024 Regular Session of the Louisiana Legislature, they voted to provide school systems with extra funding for what they termed a “one-time stipend” payment because it was not funded through the MFP. Therefore, it would be improper to call this funding a raise for Iberville Parish School Board employees. As Superintendent I am recommending that the Board provide our employees with a one-time salary supplement as follows:

Who will receive the supplement:

- All active, full-time, regular employees.
- Substitutes, temporary or “time-card”, or part time employees **will not** receive the supplement.
- Elected officials will not receive the supplement.
- Gross amounts are before taxes and retirement are deducted.

Distribution:

- Active employees hired on or before October 04, 2024.
- Certificated personnel will receive the gross amount of \$2,000.
- Non-certificated personnel will receive the gross amount of \$1,000.
- Even though Early Childhood staff was not included in the funding amount provided by LDOE, the Board will provide the same supplement to that department’s staff at an additional Board cost estimated to be \$126,649.00 (includes gross amount, plus taxes and retirement).
- Payment will be made in a separate direct deposit issued on Friday, October 4, 2024, or a date as soon after funds are received from the LDOE
