School Compact

2024 – 2025

Revised July 25, 2024

Dear Parent/Guardian,

Carver Elementary School participates in the Title I, Part A program, and their families agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improving student academic achievement; as well as describes how the school and parents will build and develop a partnership that will help children achieve the state’s high standards.

To understand how working together can benefit your child, it is first important to understand our district’s and school’s goals for student academic achievement. **Goals for Student Achievement:**

Jefferson County School District Goals:

- Decrease the achievement gap between the highest performing subgroup and all other subgroups in all grade levels and content areas by 3% of potential growth on the state assessments.
- Create a healthy and restorative school climate that uses restorative approaches to address conflict in schools and meets the needs of the whole child as measured by school climate ratings.
- Create an evaluation system that focuses on progress and outcomes that monitors program effectiveness in all special education environments.
- Increase teacher retention in an effort to improve teacher effectiveness and to increase potential leader pool.

Carver Elementary School Goals:

- All (100%) teachers will effectively use the lesson plan template and collaborative planning process guide as determined by the administration and leadership team.
- CES will increase the percentage of students performing at grade level to 60% in reading and 50% in mathematics, as determined by I-Ready assessments.
- CES will develop a structure to track content mastery, Lexile, closing the gap, and attendance, participation rate during the 24/25 school with 90% effectively in reporting during each Leadership Team meeting.

Carver Elementary School is committed to the following:

- Literacy instruction that focuses on phonological awareness, phonics, fluency, vocabulary, and comprehension.
- Mathematics instruction will continue to focus on number sense, computation, and problem solving.
- To increase students' writing ability by providing research-based writing instruction across the content areas.

School Responsibilities:

Provide a quality-learning environment:

- Increase student learning through effective instruction.
- Collect and analyze data in order to drive instruction and provide appropriate interventions.
- Teach children to think critically, create, compose, and problem solve.
- Establish positive relationships with children through Restorative Practices.
- Provide a safe and inviting learning environment.
- Collaborate with the community and engage in open communication with parents.
- Incorporate STEAM activities throughout the curriculum.
- Provide access to 21st century technology.
- Self-assess our current practices in order to create an action plan and increase effectiveness.

Provide opportunities for volunteers:

- Parent Volunteers (volunteer applications are available)
- Field trip monitors
- Volunteer readers
- Assist with fund-raisers, festivals and PBIS events

Parent Responsibilities:

I/We, as (a) parent(s), will:

- Read to my child and ensure that my child reads for at least 20 minutes each night.
- Make learning fun by playing word games.
- Be more active in my child's education by attending Curriculum Nights/ Parent Nights/Parent Conferences.
- Communicating with the school.
