

MGHS ANNOUNCEMENTS Friday, November 8th, 2024

General Announcements: Students and staff - we invite you to participate in the Gratitude Challenge. Located throughout the building are colorful calendars that ask a question each day regarding something that you are thankful for. You can participate in this activity on your own or you can chat with a friend or colleague about what you are grateful for. There are so many good things happening in our lives. We are creating an "Attitude of Gratitude" and reminding each other that we have a lot to celebrate and enjoy in our school community and at home. The Gratitude Challenge question today is: What is an emotion that you are thankful for? How has it helped you to be your best self? Take the challenge!

Attention Seniors: Madison College (also referred to as MATC) will be in the IMC today over both lunches to work with students on applying for free, and to answer any questions you may have about the college. Please bring your charged Chromebook and your social security number.

The Mystics club will meet after school today in room 215 for a mystical movie night! We hope to see you there.

Attention students planning to take AP exams this year! Registration is due today. The registration form communicates which exams you will be taking this year and which exams you are choosing not to take this year. Be sure you have filled out the registration form before the end of the day today! If you have any questions please contact Mr. McLaughlin through email or talk with your AP teacher!

Also, this is a reminder to respond to your email from Becca Yinko to volunteer for THIS Sunday's ALK Positive Lung Cancer fundraiser honoring one of our own community members. We are looking for volunteers for 1-2 hour shifts from 12pm-5pm to help run kids games, face paint, and help clean up.
