

## **Belfast Central School District UPK Lottery**

The Belfast Central School District operates a New York State grant-funded onsite Universal Pre-Kindergarten program facilitated by the Belfast Central School. In the event there are more applicants than spaces for our 4pk programs, a random lottery for entrance will occur on August 1 of each year.

Pre-Kindergarten Lottery guidelines

UPK registration packets are available from April 1<sup>st</sup> until July 31<sup>st</sup>. Only completed application packets, including proof of residency, immunization schedule, and birth certificates will be eligible for the lottery.

On August 1<sup>st</sup>, those students with completed applications for 4pk classes will be notified. Any student that is not selected at this time will be placed on a waiting list in the order that they were drawn.
