

Free Sports & Activities Physicals

AVAILABLE YEAR ROUND

SCHOLAR CLINIC — 1010 RANGELINE ST. SUITE 101, COLUMBIA, MO 65201

Call 573-476-0022 to schedule an appointment — same day appointments often available. Parental consent required for students under the age of 18.

MSHSAA requires a pre-participation medical eligibility form for all students in both athletics AND activities. This means that not only kids involved in sports need a physical once every two years, but so do students that participate in band, choir, orchestra, speech & debate, scholar bowl, etc.

Physicals are valid for 2 years per MSHSAA guidelines.

We look forward to helping ensure a safe and healthy sports and activities season for all CPS students. Thank you for choosing SCHOLAR Clinic for your healthcare needs.
