

Ann Sobrato High School
School Site Council Agenda
MONDAY, NOVEMBER 04, 2023

1. Approve October meeting minutes

Meeting was called to order at 4:17 pm

Meeting minutes approved

2. Resources Department Presentation

Support staff listed- Refer to presentation

Sobrato enrollment vs. Sobrato students with IEP's

Description of services was provided- see presentation for additional information

Diploma vs. certificate

Transitions- prepare students at start of middle school and into highschool to share with them IEP information, IEP rights, etc..

Support parents with the following: attend IEP meetings, Aeries support, check-ins with teachers, google classroom, knowing what homework is and projects coming up, PSAT and SAT testing- accommodations for their kids, Attending college nights, cafecitos, joining Home and School club, etc..

IEP accommodations can be provided at their college but will look different depending on which college campus student attends.

3. English Department Presentation - cancelled for this meeting- teacher is out sick

4. Report from ELAC regarding SPSA data

Claudia Magana provided presentation on feedback from ELAC families

Some feedback that was provided was their preference for text messages in English/Spanish, organizing parent support group outside of school, continue to provide positive phone calls, postcards, would like to acknowledge being EL as a positive and not as being negative

Textbooks translated was discussed as ELAC parents mentioned this in their feedback

English class for EL learners is provided to support students with academics

Parent Square was discussed and Claudia shared that staff provided support with EL parents to utilize APP

5. Questions or comments on data from the 10/14/24 meeting

a. Budget overview-Discussed budget cuts for this school year, list was provided to committee

b. SPSA questions from May 2024 minutes

c. Review demographics

d. Staffing report- list of staff was provided to the committee

6. Student engagement, climate & culture – parent/guardian interview questions for their students around:

•What do you think increases student engagement?

•What makes you feel safe at school?

•What does great climate and culture on a school campus look like, feel like, sound like?

Committee discussed the questions above to ask their students and to share responses at next month's meeting

7. Open Forum

The committee reviewed Parent resource sheets that will work on getting posted in Parent Square and the school website

The committee discussed school website updates and feedback was requested

Question about school safety and any new trends or concerns recently?

No concerns as of now

Wellness center updates- open most mornings, during lunch, and after school

Request to add to future meeting agenda about technology usage and reduce usage

The committee discussed technology balance and what that would look like. Discussion will be continued at a future meeting.

Meeting adjourned at 5:47 pm
