## BRIGHT FUTURES BEGIN *With Your Generosity*

At All Saints Academy, the Halo Fund is vital to our mission of cultivating independent thinkers, principled leaders, and humble learners. As an independent school, we rely on more than just tuition to cover our annual operating expenses. The generous support from the Halo Fund helps bridge this financial gap and enriches our educational environment.

Your contributions to the Halo Fund enhance our students' learning experiences, promote intellectual growth, and support academic and character development. Additionally, it allows us to attract and retain exceptional faculty.

By joining us in this effort, you help ensure our students are well-prepared for both present and future success. Brighter futures start with your generosity.

Help us prepare the  
next generation of

**INDEPENDENT**  
*thinkers,*  
**PRINCIPLED**  
*leaders,*  
**AND HUMBLE**  
*learners.*

## FAQ

**My family is already paying tuition, and plenty of it. How does my child benefit when we donate to the Halo Fund as well?**

As an independent private school, charitable gifts are a crucial part of ASA's healthy financial operation. Your donation to the Halo Fund supports what matters to you at ASA: talented teachers, small classes, enriching arts and athletics, library and teaching resources, technology, safety, and much more.

**When should I make my Halo Fund gift or pledge?**

To maximize the annual influence of our community's generosity, we ask that you consider making your gift during our Fall Halo Fund drive. Although the fiscal year ends June 30th, an early commitment to the Halo Fund puts ASA in a great position to allocate resources for our children.

**Are gifts to the Halo Fund tax deductible? What is a matching gift?**

Yes, gifts to the Halo Fund are tax deductible. As an employee benefit, more than 550 American corporations match their staffs' philanthropic contributions. If your employer has a gift-matching program, you can double or triple your support to ASA!

**Are there more reasons to give?**

Of course. Many people take pride in the recognition that comes with appearing on the list of the school's supporters. Some view giving as a way to become active stakeholders who help their school achieve goals. ASA has fewer supporters than a university or a large charity does. Because the number who will give is small but the need is large, every gift counts more.
