Our Mission

OUR MISSION IS TO CREATE A DIVERSE SCHOOL COMMUNITY OF LIFELONG LEARNERS THROUGH AN ENGAGING AND CHALLENGING PROGRAM THAT FOSTERS A CULTURE OF CARING, COLLABORATION, ACTION LEARNING AND RESPONSIBILITY FOR THE ENVIRONMENT.

hello
NOVEMBER

Strawberry Hill Families:

November is here! It is a month where we are deep into the fall season. I tend to start reflecting on the calendar year and simply look at all the things I am thankful for. We want to give students this opportunity to also look at their world, and be appreciative and grateful for our families, and our community.

The Learner Profile for this month is Communicator. We will be working on how we can all be caring, purposeful communicators, expressing ourselves confidently, and looking to understand other's perspectives.

Parents, a reminder that we are going through an email migration. What that means is that our new email will have the following extension: **@stamfordps.org**. Effective Monday, Oct 28th, all emails sent to the old extension will continue to be forwarded to our new extension.

Kindergarten & Grade 1 dismissal

Dear Parents,

This is a friendly reminder about the procedures in picking up Grade K & 1 students and their siblings.

To maintain a safe procedure please do not get out of your cars from the line at Strawberry Hill Avenue to pick up your child. Parents should not be getting out of their cars on Strawberry Hill Avenue or in the parking lot.

Strawberry Hill staff personnel will escort students to your cars once you are in the parking lot.

If you have K&1 students with older siblings, then we are asking for you to stagger your pick up time by 5-10 minutes and come closer to 3:35pm. You will see a big difference in the traffic and you would not be waiting as long.

All families will benefit if this process is followed, alleviating traffic for the entire 3:25p - 3:45p window.

Acceptable Use for Technology forms

Dear Parents,

Reminder that ALL students need to submit a completed Responsible Use Agreement and Technology Device Agreement via ParentPortal

<https://sis.stamfordpublicschools.org/public/home.html>

Beginning Monday October 21st, students who do not have a submitted Responsible Use Agreement or Technology Device Agreement will lose access to school technology devices and/or use of personal devices in school until the form is signed. Please direct any questions to Tara Wilcox, Multimedia Specialist. twilcox@stamfordpublicschools.org

Chromebooks are handed out to all students in grades 4-8, and are utilized on a rotating basis in K-3. From time to time we experience accidents, and the normal wear and tear. Unfortunately, we are also seeing instances where students are not being responsible with their devices, either through improper usage of the device, culpable disregard, and/or purposefully damaging the device. We added some specific language to our policy to address the specific circumstances around Chromebooks and technology. This is aligned with Stamford Public Schools Policy. Click icon below (it will take you to page 25 of the handbook).

ABOUT CPAC

Connecticut Parent Advocacy Center, Inc. (CPAC) is a statewide nonprofit organization that offers information and support to families of children with any disability or chronic illness, age birth through 26. The Center is committed to the idea that parents can be the most effective advocates for their children, given the confidence that knowledge and understanding of special education law and its procedures can bring.

Through outreach efforts and referrals from schools, social service agencies and other parents, the number of families that Connecticut Parent Advocacy Center serves has grown dramatically over the past 41 years. We continue to take pride in providing prompt and personal assistance to all who contact us. CPAC is staffed by parents of children with disabilities who have training in, and personal experience with, the law and disability issues.

In addition to speaking with parents on a daily basis, CPAC staff conduct workshops for parents as well as in-service presentations for schools, teachers-in-training and service providers throughout the state so that they may better understand and serve the parents with whom they work. Staff and Board members serve on numerous statewide committees and various organizations, representing issues that are of concern to parents and families in Connecticut.

hello NOVEMBER

Familias de Strawberry Hill:

¡Noviembre ya está aquí! Es un mes en el que estamos inmersos en la temporada de otoño. Empezando a reflexionar sobre el año y simplemente mirar todas las cosas por las que estoy agradecido. Queremos brindarles a los estudiantes la oportunidad de mirar también su mundo y ser apreciativos y agradecidos por nuestras familias y nuestra comunidad.

El perfil de alumno de este mes es Comunicador. Trabajaremos en cómo todos podemos ser comunicadores atentos y decididos, expresarnos con confianza y tratar de comprender las perspectivas de los demás.

Padres, un recordatorio de que estamos atravesando una migración de correo electrónico. Lo que eso significa es que nuestro nuevo correo electrónico tendrá la siguiente extensión: **@stamfordps.org**. A partir del lunes 28 de octubre, todos los correos electrónicos enviados a la extensión anterior seguirán reenviándose a nuestra nueva extensión.

SALIDA DE KINDERGARTEN Y PRIMER GRADO

Estimados padres,

Este es un recordatorio amistoso sobre los procedimientos para recoger a los estudiantes de los grados K y 1 y a sus hermanos.

Para mantener un procedimiento seguro, no se bajen de sus automóviles de la fila en Strawberry Hill Avenue para recoger a su hijo. Los padres no deberían bajarse de sus autos en Strawberry Hill Avenue o en el estacionamiento.

El personal de Strawberry Hill acompañará a los estudiantes a sus automóviles una vez que estén en el estacionamiento.

Si tiene estudiantes de K&1 con hermanos mayores, le pedimos que escalone su hora de recogida entre 5 y 10 minutos y se acerque a las 3:35 p.m. Verá una gran diferencia en el tráfico y no tendrá que esperar tanto.

Todas las familias se beneficiarán si se sigue este proceso, aliviando el tráfico durante todo el período de 3:25 p.m. a 3:45 p.m.

Uso Aceptable de Formularios de Tecnología

Estimados padres,

Recordatorio de que TODOS los estudiantes deben de firmar el Acuerdo de uso responsable y un Acuerdo de dispositivo tecnológico completos a través de ParentPortal.

<https://sis.stamfordpublicschools.org/public/home.html>

A partir del lunes 21 de octubre, los estudiantes que no hayan firmado el Acuerdo de uso responsable o un Acuerdo de dispositivo tecnológico perderán el acceso a los dispositivos tecnológicos escolares y/o el uso de dispositivos personales en la escuela hasta que se firme el formulario.

Dirija cualquier pregunta a Tara Wilcox, especialista en multimedia. twilcox@stamfordpublicschools.org

Los Chromebooks se entregan a todos los estudiantes en los grados 4-8 y se utilizan de forma rotativa en K-3. De vez en cuando sufrimos accidentes y el desgaste normal. Desafortunadamente, también estamos viendo casos en los que los estudiantes no son responsables con sus dispositivos, ya sea por el uso inadecuado del dispositivo, por descuido culpable y/o por dañarlo intencionalmente. Agregamos un lenguaje específico a nuestra política para abordar las circunstancias específicas en torno a los Chromebooks y la tecnología. Esto está alineado con la Política de las Escuelas Públicas de Stamford. Haga clic en el icono a continuación (lo llevará a la página 25 del manual).
