Prior to receipt of the employment letter, newly hired employees are required to submit (to) the following: (a) necessary information for a criminal background check; (b) drug screening; (c) pre-employment forms and documentation. Initial employment is always contingent upon satisfactory reports from the criminal background check and drug screening. All employees are required to indicate acknowledging receipt of their Employee Handbook.

## **II. CRIMINAL HISTORY OF APPLICANTS**

The School Board shall require, in accordance with state law, all applicants for employment with the School Board to submit necessary information regarding their backgrounds. A prospective employee that may be employed in a position having responsibility for the care, control, supervision and/or discipline of minor children shall be required to provide authorization for the disclosure of any information regarding past criminal activities.

Prospective employees are responsible for scheduling and completing fingerprint and/or criminal background check prior to start date of their employment. No employee will start work until fingerprinting has been cleared through the database.

Please note the following:

- (1) No person who has been convicted of or has plead nolo contendere to crimes outlined in state law shall be hired as a teacher, substitute teacher, or other professional employee who might reasonably be expected to be placed in a position of supervisory or disciplinary authority over school children.

## **III. PERSONNEL RECORDS (Reference Policy GAK)**

A personnel file shall be accurately maintained in the central administrative office for each present and former employee. Each employee has the right to view his/her personnel file. He/She should contact the Director of Human Resources via written request to access this record. The contents of a school employee's personnel file shall not be divulged to third parties without the expressed written consent of the school employee, except when ordered by a court or a subpoena, or in accordance with School Board policy (Reference Policy GAK).

No document (except routine record keeping) shall be placed in an employee's personnel file until that school employee has been presented with the original document and a copy prior to filing. The employee shall sign the original document acknowledging receipt of the copy. The signature shall not be construed as an agreement on the contents of the document. If an employee refuses to sign a document pertaining to a disciplinary action taken against an employee, the Supervisor presenting the documents should have two (2) witnesses sign to attest that the employee was presented with the document but refused to sign prior to the

document being placed in that employee's personnel file. Refusal to sign the documents may result in other disciplinary actions.

Any rebuttal or response to a document placed in an employee's personnel file shall be submitted by the employee within fifteen (15) school days of the date the original document was signed. The time period may be extended for ten (10) days provided a written request is made for such an extension within the original fifteen (15) day period.

## **E. Credit for Experience and Advanced Degrees**

An employee on the Teacher Salary Schedule will be placed on the experience level corresponding to the number of years of qualified experience that has been verified *on our official form*. The form is located on the HR section of the APSB website. Qualified experience includes full time experience in a state-approved public or private school or in an American school in a foreign country. Full-time university teaching experience (but not graduate assistantships) is also counted, as is experience at the State Department of Education, if the position requires a teaching certificate. A teacher must work at least one full semester in a school year to be given credit for it. Only one year of experience may be earned in any one school year. He/she will be paid for the highest degree that appears on his/her teaching certificate. When a teacher is awarded an advanced degree, he/she will be paid according to the salary schedule for that degree, beginning with the payroll period following the date that the degree is placed on his/her teaching certificate.

A new employee not on the Teacher Salary Schedule will be placed at the zero step of the pay schedule, which corresponds, to his/her position, in accordance with policy GBA. New hires hired in a non-certified position can receive credit up to 5 years of prior experience and have their salary adjusted in accordance with APSB Salary Schedule. Further instructions are located on APSB's Human Resources Section on our website.

## **F. Compensatory Time**

Personnel who are eligible for overtime compensation shall be allowed to bank overtime as compensatory (comp) time for the time worked in excess of forty (40) hours per week.

Eligible employees are those employees who have been classified as nonexempt for purposes of overtime compensation in accordance with the Fair Labor Standards Act. Therefore, as a condition of employment and for use of compensatory time in lieu of overtime payment, the Ascension Parish School Board shall allow the use of compensatory time off in lieu of payment at a rate of time and a half.

The following conditions shall apply:

- Employees may bank up to 120 hours ( $120 = 80 \text{ hrs of overtime} \times 1.5$ ).
- Employees will be allowed to use banked comp time with prior approval from their immediate supervisor.
- Any employee that has 80 hours bank comp time must get approval from the appropriate director before working any overtime.

Refer to Policy GBAA for further information.

## **V. MEDICAL INSURANCE (Reference Policy EGA)**

Medical Insurance may be elected by full-time employees through the Ascension Parish School Board Medical Insurance Plan. The School Board pays a portion of the premium, and the employee pays the remainder as a payroll deduction. Employees may elect not to have coverage. Full-time employees are also provided dental and vision coverage at no cost to them, and may elect these coverages for family members, at an additional cost to be paid by the employee. Open Enrollment occurs each year in which employees are able to make insurance benefit changes during the selected time period. These elections will be effective for the following

benefit year, beginning on November 1. Employee's insurance coverages become effective the 1<sup>st</sup> of the month after 30 days of being hired. Please check with the Insurance Department to verify your coverage.

Employees should notify the Insurance Department as soon as possible of any changes in dependents or beneficiaries so that there will be no lapse in coverage. To add coverage for a newborn child, the employee must contact the insurance personnel in the Human Resources Department to complete necessary paperwork and submit required documents within 30 days of the child's birth. Employees should also notify the insurance department as soon as a covered dependent becomes ineligible for medical insurance. Dependents become ineligible at age 26 and coverage ends on the last day of the month in which the dependent turns 26. Any qualifying event changes must occur within 30 days of the event. Failure to contact the Insurance Department within this time frame or failure to submit required documents may result in lapse of insurance coverage.

## **VI. EMPLOYEE ABSENCES (Reference Policy GBRB)**

### **A. Reporting Absences**

Failure to abide by this policy will result in a corresponding deduction from the employee's accrued annual leave. Violations of this policy may also result in disciplinary action up to and including termination.

### **B. Employee Attendance**

The following procedures will be used to enforce the APSB Employee Attendance Policy, Policy GBRB.

1. If an employee is absent beyond his or her sick leave allocation for the current year, he or she will have a conference with the Principal or Supervisor to discuss the excessive absences.
  - a. Written documentation will be kept by the Principal or Supervisor indicating that a conference was held to discuss excessive absences.
  - b. A copy of the documentation will be given to the employee and to Human Resources for filing in the employee's personnel file.
2. If an employee's absences continue, they are in direct violation of Policy GBRB and may be subject to corrective disciplinary actions.

  - b. A copy of this letter will be given to the employee and Human Resources for filing in the employee's personnel file.
3. In a conference with the employee, the Principal or Supervisor and the Superintendent or designee will discuss his/her recommendations, which may include suspension or termination.

### **C. Time Clock Procedure**

All employees (non-exempt) are required to use the time clock system to record their hours worked. Non-exempt employees are required to clock in and out for payroll and attendance purposes. Exempt employees may be required to use a time clock for attendance purposes at the discretion of their Supervisor. Employees should clock in no more than seven (7) minutes before or after the scheduled shift and clock out more than seven (7) minutes before or after the scheduled shift. #### **D. Prohibited Time Clock Procedures**

Employees are strictly prohibited from using another employee's assigned employee number to clock in or clock out for another employee. Any employee found clocking in or clocking out for another employee will be subject to disciplinary actions up to and including termination. Any employee allowing another employee to use his/her employee number to clock in/out for that person will also be subject to disciplinary actions up to and including termination.

#### **E. Sick/Emergency Leave**

Each 9-, 9.5-, and 10-month employee shall be granted 10 days absence per year because of personal illness, extenuating circumstances or other emergencies without loss of pay. 12-month employees shall be granted 12 such days. However, no employee shall be allowed any sick leave until he/she reports for duty and performs work. Unused sick/emergency leave, shall be allowed to accumulate to the credit of the employee without limitation. Any employee who begins employment in the second month of the school year or later will earn sick leave according to the following schedule:

<b><u>Employees Hired</u></b>	<b><u>9, 9.5, 10-month employees</u></b>	<b><u>12-month employees</u></b>
In the month of July	--	12 days
In the month of August	10 days	11 days

In the month of April	2 days	3 days
In the month of May	1 day	2 days
In the month of June	0 days	1 days

Employees on Louisiana Extended Sick Leave, Leave Without Pay or on Worker's Compensation will not automatically receive their sick leave at the beginning of the fiscal year, but will receive their sick days once they physically report to work each fiscal year.

An employee who is absent for six (6) or more consecutive days shall be required to present a certificate from a physician certifying such absence upon return to work. In the case of repeated absences of less than six days because of illness, APSB reserves the right to require verification of illness. Should a pattern of behavior so warrant, upon the request of the Superintendent or his/her designee, the employee shall be required, at the expense of the school system, to provide a certificate from a physician specified by the school system, in order to verify the existence of a medical disability. (See Policy GBRIB)

All sick leave accumulated by a teacher or school employee, but not a bus driver, shall be vested in the teacher or employee. If a teacher or employee transfers to another public-school system in Louisiana, he/she can be credited with the number of days vested, according to Policy GBRIB. This information is included on the form that is given to new hires for credit for years of experience.

The School Board will pay an employee upon retirement, or to the employee's heirs or assigned upon his/her death prior to retirement, for any unused sick leave, not to exceed 45 days. Such pay shall be at the daily rate of pay paid to the employee at the time of his/her retirement or death.

Reference School Board Policy GBRIB for further information.

#### SEVERANCE PAY UPON DEFERRED RETIREMENT OPTION PROGRAM (DROP)

Any employee of the School Board who participates in the *Deferred Retirement Option Program* (DROP) shall be eligible for and may elect to receive **a one-time basis severance pay** (accrued sick leave up to a maximum of forty-five (45) days) upon entering DROP on the same basis as any other employee who retires; otherwise, any accrued sick leave shall be paid only upon final retirement of the employee.

**F. Bereavement (Reference policy GBRIB).** Two (2) days bereavement leave shall be granted to employees in the event of the death of an immediate family member without the absence(s) being charged to either sick leave or annual leave.

Immediate family shall be defined as spouse and children; mother and father or that of the spouse; brothers and sisters and their spouses or that of the spouse; and the employee's grandparents, spouse's grandparents, grandchildren, daughter-in-law, and son-in-law.

If additional days are requested, the employee may utilize a maximum of 3 sick days if there are sick days remaining. If the employee has exhausted all sick leave, the time will be deducted from pay. The principal or department head shall be responsible for verifying bereavement leave requested.

Reference School Board Policy GBRIB for further information.

**G. Extended Sick Leave (Reference Policy GBRIB).** If an employee is absent after having exhausted all his/her accumulated sick leave, he/she shall be docked a full day's pay for each day's absence, with the following exception:

- A full-time employee who has exhausted all accumulated sick leave and is absent due to a medical necessity in his/her immediate family (for the purpose of this type of extended leave, immediate

family is defined as spouse, child, or parent of the employee) shall be granted up to 90 days of extended sick leave in a six-year period. The original application for extended sick leave, accompanied by a statement from a licensed physician certifying the need for the leave, must be submitted to the Human Resources Department prior to the extension of such leave. If an employee is unable to submit the application and physician's statement prior to the commencement of the leave, the application and statement shall be submitted as soon as practicable but no later than three days from the date the employee returns to work. Applications not received within the required time may be denied. Leave forms and additional leave information can be found at <https://www.ascensionschools.org/page/hr-leave>. Employees on approved extended medical leave shall be paid at a rate of 65% of the daily rate of pay that they were making at the time the leave began. Employees on extended medical leave may not be employed elsewhere unless **all** the following conditions are met:

- The employment is no more than 20 hours per week.
- The employee has worked at the part-time job at least 120 days prior to the inception of the extended medical leave.
- The doctor who recommended the extended medical leave certifies that the part-time employment will not interfere with the purpose of the leave.

NOTE: Medical necessity shall be the result of a catastrophic illness or injury, which means a life-threatening, chronic, or incapacitating condition.

**H. Personal Leave (Reference Policy GBRIA).** Teachers and all other employees, except bus drivers and those who receive annual leave, are eligible for two days of personal leave during each school year. Personal leave is to be used as determined by the individual. Notice must be given to the employee's immediate supervisor at least 24 hours prior to taking such leave. The two personal days are neither cumulative nor payable upon death or retirement. Personal leave shall be charged to and deducted from current or accumulated sick leave. If no accumulated sick leave remains, the employee's full pay shall be docked.

**I. Maternity Leave (Reference Policy GBRIC).** The Ascension Parish School Board shall grant to regularly employed employees maternity leave for time before and after childbirth upon proper application to the Superintendent for maternity leave. Such request shall be made prior to the fifth month of pregnancy and shall be accompanied by a physician's statement attesting to the need of the leave for maternity purposes.

The maternity leave provided for herein shall be without pay and shall not affect tenure or salary rights acquired prior to taking such leave. Time spent on maternity leave shall not be counted toward acquiring tenure or for salary schedule purposes. Maternity leave for the period of disability occasioned by pregnancy and/or childbirth shall not interrupt the consecutive service for sabbatical leave purposes.

Employees desiring to use current and accumulated sick leave days in lieu of maternity leave shall state such request and anticipated number of days to be used on the application for sick leave, in accordance with provisions found in School Board Policy GBRI, Sick Leave.

### J. Vacation Leave (Reference Policy GBRK)

All twelve-month employees shall be granted annual leave. Employees hired during a fiscal year shall be granted 2.5 days of vacation after 3 months of employment, and .834 days of vacation for each month worked during fiscal year thereafter, up to a maximum of ten (10) days. All other twelve-month employees shall be granted annual leave as follows:

Years of Service	Annual Leave Granted (In days)	Monthly Accrual Rate (In days)
0 - 4	10	0.834
5	11	0.917
6	12	1.000
7	13	1.084
8	14	1.167
9	15	1.250
10	16	1.334
11	17	1.417
12	18	1.500
13	19	1.584
14+	20	1.667

Vacation leave shall be credited on a monthly basis according to the accrual rates indicated above. Annual leave may be accumulated and carried forward as earned up to a maximum of twenty (20) working days. If any employee's annual leave balance reaches twenty (20) days, the accrual of leave will stop until the

employee's balance falls below the maximum of twenty (20) days.

**Certificated employees.** For purposes of this policy, certificated employees are defined as those employees who possess a certificate issued by the Louisiana Department of Education at the time of their initial hiring by the Ascension Parish School Board. At the time of hire, such certificated employees will be granted vacation according to the schedule above. Total years of service, both in and out of the school district as a certificated employee, shall be counted for the initial allocation of annual leave and vacation accrual for that employee.

**Non-certificated employees.** For purposes of this policy, non-certificated employees are all employees who are not certificated employees. At the time of hire of a non-certificated employee, the Superintendent is authorized to award the non-certificated employee credit for prior years of experience or service worked outside of the Ascension Parish School Board school district if, in the exclusive discretion of the Superintendent, the prior experience or service aligns to the new employment position with the Ascension Parish School Board. The maximum credit that will be granted in this manner shall be five (5) years.

Please refer to Policy GBRK.

**K. Professional Leave (Reference Policy GBRH).** An employee may be granted professional leave to attend an educationally related conference, meeting, or convention, if such attendance is considered to be in the best interest of the school system. The employee's supervisor and/or Superintendent must approve professional leave in advance. The request for professional leave must be submitted on the official request at least two weeks in advance of the requested leave, but as far in advanced as possible.

**L. Sabbatical Medical Leave (Reference Policy GBRHA).** A teacher may apply for medical sabbatical leave, which shall be accompanied by a statement from a licensed physician certifying that the leave is medically necessary. Teachers are eligible for two semesters immediately following twelve or more semesters of consecutive service or one semester immediately following six semesters of consecutive service. Leave without pay is deemed to be an interruption of consecutive service (i.e. a docked day). The pay will be 65% of the teacher's pay at the time the leave begins. Medical sabbatical leaves that begin after a semester has started will terminate at the end of that semester (or at the end of the next semester, if the leave was for two semesters). Sabbatical medical leave must be applied for on the approved form and submitted to the superintendent at least 60 days preceding the beginning of the semester of the school year for which leave is requested. In case of emergency, the request may be submitted 30 days prior.

An employee on sabbatical medical leave may not be otherwise employed unless all the following criteria are met:

- Employment is for no more than 20 hours per week.
- The employee has been working in this part-time job 120 or more days prior to the beginning of the sabbatical leave
- The physician who recommended the leave certifies that part-time employment does not impair the purpose for which the leave is required.
- The School Board authorizes the part-time work.
- The employee is not working for any public or private elementary or secondary school in Louisiana or in any other state.

Sabbatical request forms can be requested through the Human Resources Department ([leave@apsb.org](mailto:leave@apsb.org)) and also found on the leave section of the APSB Human Resources website ([hr.apsb.org](http://hr.apsb.org)).

**M. Sabbatical Leave for Professional Development (Reference Policy GBRHA).** Teachers are eligible for two semesters of sabbatical leave for professional development immediately following twelve or more semesters of consecutive service or one semester immediately following six semesters of consecutive service. Leave without pay is deemed to be an interruption of consecutive service (i.e. a docked day). They are required to earn nine (9) undergraduate credit hours, provided such hours directly improve the person's skills and knowledge as a teacher, or six (6) graduate credit hours, or be certified as a fulltime student at an institution of higher learning accredited by the respective State Board of Education or territorial board in which such institution is located.

The pay will be 65% of the teacher's pay at the time the leave begins. Sabbatical leave for professional improvement must be applied for on the approved form and submitted to the Superintendent at least 60 days preceding the beginning of the semester of the school year for which leave is requested. Teachers on professional sabbatical leave are prohibited from employment by any public or private elementary or secondary school in Louisiana or any other state.

Sabbatical request forms can be requested through the Human Resources Department ([leave@apsb.org](mailto:leave@apsb.org)) and also found on the leave section of the APSB Human Resources website ([hr.apsb.org](http://hr.apsb.org)).

**N. Military Leave (Reference Policy GBRID).** Leave with pay for military purposes, not to exceed fifteen (15) working days in one calendar year, shall be granted to 12-month employees or to employees called to emergency duty during the school year. Leave without pay shall be granted when leave is for more than fifteen (15) working days or to other employees who do not qualify for leave with pay. All requests for military leave shall be presented to the School Board for approval and must be accompanied by proper documents attesting to call to duty.

An employee on extended military leave (longer than fifteen (15) days) must apply for reinstatement of his/her former position within thirty (30) days after end of leave; he/she shall then be reinstated at the salary then in force in the salary schedule. The Board may transfer the employee to a position of comparable status if, in the opinion of the Board, such action is beneficial to the school system.

## **O. Family and Medical Leave (Reference Policy GBRIBA).**

### **1. FMLA**

The Ascension Parish School Board shall permit qualified employees to take up to twelve (12) workweeks of unpaid leave in a twelve (12) month period for family and medical reasons. Employees qualifying for family and temporary medical leave shall have been employed by the Board for the previous twelve (12) months prior to the date of the leave to be taken. For the purposes of this policy, the 12-month period shall begin the 1<sup>st</sup> day of qualified FMLA leave. Such unpaid leave may only be taken for the following reasons:

1. For the birth of the employee's son or daughter or for the placement with the employee of a son or daughter for adoption or foster care, and to care for the newborn or newly placed child;
2. To care for the employee's spouse, son, daughter, or parent with a serious health condition;
3. Because of a serious health condition that makes the employee unable to perform one or more of the essential functions of his or her job; and

4. Because of any "qualifying exigency" arising out of the fact that the employee's spouse, son, daughter, or parent is a military member on covered active duty status (or has been notified of an impending call or order to covered active duty).

Leave shall be taken for birth or placement of a child only within twelve (12) months of the birth or placement.

Generally, the time taken for family and medical leave shall be on a continuous basis. However, the employee shall be permitted to take leave on an intermittent or reduced basis to care for a seriously ill family member or the employee's own illness when medically necessary. An employee may take intermittent leave for the birth or adoption of a child only with the Board's approval.

If a teacher's period of absence on intermittent leave amounts to more than 20% of classroom time, the teacher may be required to take continuous leave throughout the treatment period or be placed in an equivalent position that would not be so disruptive to the classroom.

An employee shall be required to request leave by providing the Board at least thirty (30) days' notice prior to any leave being taken for the birth or adoption of a child, or for any planned or foreseeable medical treatment. For emergency treatment, or circumstances where thirty (30) days' notice cannot be provided, the employee shall notify the Board of the leave to be taken as soon as possible. Medical certification may be required by the Board at the time leave is requested.

The employee shall be required to substitute any accumulated sick leave and/or annual leave for any family and medical leave time requested. If paid leave is used by an employee, the Board shall provide only enough unpaid family and medical leave time to total the allowed twelve (12) week period.

Any employee taking family and medical leave shall have the right to return to their previous position or an equivalent position with no loss in benefits at the end of the leave period. An employee returning to service at the end of their leave period for personal medical reasons shall be required to present to the Human Resources Department a letter from their doctor certifying that the employee is able to return to work.

## **2. Military Family Leave**

### Qualifying Exigency Leave

Eligible employees who are the spouse, son, daughter, or parent of a military member may take up to 12 weeks of FMLA leave during any 12-month period to address the common issues that arise when a military member is deployed to a foreign country.
