

EAGLE NEWS

Anderson Island Elementary

November 8, 2024

Good afternoon Eagle Families,

We've had another fantastic week here at school! Our students are truly hard workers, and it's wonderful to see how much they've accomplished as we wrap up our first quarter. We're well into the year and already seeing so much growth and enthusiasm for learning.

This morning, we celebrated our annual Veteran's Tea, and it was a wonderful success. I want to extend a special and heartfelt thank you to all of our veterans for their service—not only to our country but also to our school community. Their commitment, both past and present, is deeply appreciated, and their presence enriches the lives of our students. We are truly grateful for the continued support they provide, helping our students learn and grow in so many ways.

I'd also like to extend our gratitude to all of our dedicated volunteers who generously offer their time. Your help with field trips, music, and art makes a big difference in our students' experiences, and we appreciate your commitment to making our school a great place to learn and grow.

Looking ahead, we'll have a fun celebration for Adam's birthday next Wednesday. We can't wait to make his day special!

Remember to get outside this weekend, rest up, and find a good book to enjoy. Have a safe and happy three-day weekend, everyone. I'll see you all back on Tuesday!

Have a wonderful weekend, Eagle Families!

Stories from the Classroom

Mitchell the Scarecrow

My scarecrow's name is Mitchell and he loves to be mismatched. One day when Mitchell was protecting the pumpkins he got an idea he would make the pumpkins mismatch. Mitchell set to work and by sunrise he was done. Then the crows came. The crows could see the pumpkins and they ate all the pumpkins. The next year, Mitchell learned that not everybody has to mismatch.

The end.

When Farmer Johnson passed away, Bodhi turned back into a human; now Bodhi is sad. But another farmer came, and he was a replacement for farmer Johnson, and his name was Farmer Cletus. Jack and the Little Donkey

My scarecrow's name is Jack. Jack was a regular scarecrow that was not alive. One day there was a lightning storm and he was hit by lightning and came alive. "Ah, I'm alive," said Jack. One day, Jack was hanging on his post when a talking donkey came by. Jack and the donkey became friends. Jack asked the donkey to untie him from his post and the donkey did. Jack and the donkey went on a trip to find the wizard that walked by Jack while he was still tied to the post.
