

## CLASS: 11 core

These independent learning tasks should be completed by 13.12.2024. All completed tasks will be rewarded with positive points.

Mathematics and numeracy	English language and literature	Biology, chemistry and physics
<p>Tasks will be set fortnightly on the Google Classroom for completion. The focus this term is on developing and improving number calculations to improve fluency. These tasks are for you to develop your mathematical skills and to practise work completed in lessons. If you are unsure of the methods needed, remember to use our school youtube channel where you can watch videos of our methods.  <a href="https://www.youtube.com/channel/UCV7UZbwvNUToA42y4wKQpPA">https://www.youtube.com/channel/UCV7UZbwvNUToA42y4wKQpPA</a></p>	<p>The focus this term is developing your English Language examination skills and your independent learning should allow you to master what you are doing in class. Work through the booklet - focusing on the skill/skills that you have been working on with your teachers that week.            So, for example if you have been working on 'comparison', complete comparison revision/ tasks for mastery. The booklet has been uploaded to your google classroom.            Upload completed work to the classroom.</p>	<p>Independent learning task sheet has been uploaded onto the Google Classroom. All work needs to be uploaded to the drive or put in the homework box to get your point:  <b>Biology:</b> <a href="https://drive.google.com/file/d/1oIm_b2jmD4t26Y8gbHPfW7SUu14yLx78/view?usp=drive_link">https://drive.google.com/file/d/1oIm_b2jmD4t26Y8gbHPfW7SUu14yLx78/view?usp=drive_link</a>  <b>Chemistry:</b> <a href="https://drive.google.com/file/d/13i_yA9punVwDaudsJsga_vaYWvzksX8G/view?usp=drive_link">https://drive.google.com/file/d/13i_yA9punVwDaudsJsga_vaYWvzksX8G/view?usp=drive_link</a>  <b>Physics:</b>  <a href="https://drive.google.com/file/d/1uC6wNgRUUp11Z5bFwsEH-xEJgWNy9cwwz/view?usp=drive_link">https://drive.google.com/file/d/1uC6wNgRUUp11Z5bFwsEH-xEJgWNy9cwwz/view?usp=drive_link</a></p>
Skills challenge certificate	Well-being and religion, values and ethics	Languages: Welsh
<p>Continue your research on your chosen individual project topic. You can use a range of research methods to find information based around your three aims. Use the information to work through your template, ensuring that you reference your sources of information (for example, include the URL from the website).</p>	<p>Create a wellbeing calendar for the Christmas holidays. Include activities that would help your physical, social and emotional wellbeing. You can include links, photos, videos and even demonstrations.</p>	<p>Watch and make notes on the revision videos uploaded to the Google Classroom. These are based on the topics; charities and part time work, as well as the future tense. You must upload your notes / posters to the Google Classroom.</p>

## CLASS: 11 options (complete the independent learning for the options that you are learning)

These independent learning tasks should be completed by 13.12.2024. All completed tasks will be rewarded with positive points.

Health and social care	History	Physical education	Spanish
Carry out research for section a and b of your task 2 controlled assessment. The information for this is in the template we use each lesson. You will use your research to support the completion of your supervised controlled assessment in class.	Using the revision booklet and knowledge organisers shared in class and Google Classroom, complete the revision tasks and construct your own revision notes.	Complete PFP: deadline Friday 29th November 2024. <a href="#">Physical education WJEC</a> - revision of the socio-cultural area ahead of the end of unit test, date of which is to be confirmed. Those with outstanding video evidence, please submit to Mr Davies by Thursday 12th December, this is the final deadline.	Listen to the GCSEpods in google classroom labelled as "Independent learning", make revision notes as you go.
Digital technology	Engineering	Food and nutrition	Business studies
The main focus of the term is the NA coursework. This has to be completed in school but the skills on animations can be practised at home.	Within engineering you are looking at sustainable materials and their use in buildings and other equipment. Research at home four sustainable materials and their uses in everyday life.	The main focus of the term is the NA coursework. At home all dishes for the coursework need to be practised and evaluated to ensure they fit the criteria and they can be produced to the highest standard in the time allocated.	Pupils are completing their Unit 4 Learning Aim A Coursework on their Google Classroom. This deadline is Friday 25th October. Pupils will then be working on Learning Aim 2 which will need to be completed by 13th December. You should be working on this coursework in individual time as well as in lessons.
Music performance	Drama	Photography	Art
Complete a piece of research on a local live music event. The research should include, capacity, target audience and budget.	Continue to work on ongoing coursework for assessment.	Final piece construction needs to start now. Create a comprehensive plan of how you are going to make the final piece. Include experiments of techniques you plan of using.	Final piece construction needs to start now. Create a comprehensive plan of how you are going to make the final piece. Include experiments of techniques you plan of using.
