

Move forward with convenient Behavioral Health care

Your Blue Cross and Blue Shield of Texas benefit includes virtual behavioral health care visits with MDLIVE® board-certified doctors and licensed therapists.

Virtual Visits connect you with an independently contracted, board-certified doctor or therapist by secure online video. There's no travel and no waiting room—just a convenient, affordable and confidential consultation in the comfort of your own home, office or on-the-go. Services are available in both English and Spanish with translation services available for other languages.

Virtual Visits can help you with:

- Depression
- Eating disorders
- Grief and loss
- Men's issues
- Panic disorders
- Parenting issues
- Relationship and marriage issues
- Stress
- Substance use disorders
- Trauma and PTSD
- Women's issues
- And more!

Internet/WiFi connection is needed for computer access. Data charges may apply when using your tablet or smartphone. Check your phone carrier's plan for details.

Virtual Visits may be limited by plan. For providers licensed in New Mexico and the District of Columbia, Urgent Care service is limited to interactive online video; Behavioral Health service requires video for the initial visit but may use video or audio for follow-up visits, based on the provider's clinical judgment. Behavioral Health is not available on all plans.

MDLIVE is a separate company that operates and administers Virtual Visits for Blue Cross and Blue Shield of Texas. MDLIVE is solely responsible for its operations and for those of its contracted providers.
