If you have something you would like to shout out about one of our teachers or staff please [click here](#) to let us know!

Visitors & Safety

ALL Visitors must check-in with a valid ID and receive a Visitors Tag at the Front Office before entering the building. The visitor tag must be worn the entire time you are on campus.

Classroom visits will be permitted with the Principal's and teacher's approval. Teacher conferences will be scheduled during their designated conference times.

We appreciate your time and understanding when you visit Lawhon and are required to show identification. The process takes a few seconds and is well worth the safety of ALL our children.

School- Wide Expectations

At Lawhon, we use PBIS (Positive Behavior Interventions and Support) to teach and encourage students to be **SAFE**, **RESPECTFUL**, and **RESPONSIBLE** in all areas of the school. At the beginning of the schoolyear, teachers and students discuss what this looks like in each area of the school.

Teachers and Staff award individuals and classes with positive sticks or Classdojo points for being **Safe**, **Respectful** and/or **Responsible**. Each time classes fill up their 100s chart their class receives a reward.

News from the NURSE

Nurse Briggs is excited to begin another year at Lawhon ! She wants to encourage you to visit the district Health Services information on the District website. If you have any questions for her, please email her at briggsb@pearlandisd.org.

Students at Lawhon are not allowed to carry any medications with them. All medications must be brought to the clinic by a parent with a note.

All student immunizations must be current. If an updated immunization is needed you will be notified.

Kindergarteners and Pre-Kindergarteners should be fully immunized before the start of school. Please send a copy of any updates to the clinic.

ATTENDANCE

School attendance is critical for the quality of your child's education. A child who misses a day of school misses a day of learning opportunities. Should it be necessary for your child to miss a day of school, you must submit your child's absence online or send a written and signed note stating the reason for the child's absence within 3 days of the absence with the information listed below:

- Student's first and last legal name
- Grade Level
- Student ID
- # Specific dates of the absence
- Specific reason for the absence
- Parent signature

If a doctor's note is submitted, please make sure that it covers ALL days of the absence. If not, please send an accompanying parent note with the above-listed information. Emails will no longer be accepted. Students are required to attend class 90% of the time it is offered to be able to receive credit and be promoted to the next grade level. All absences, regardless of excused or unexcused, including leaving early and coming in late, count towards the 90% rule. Please help make your child's education successful.
