A NOTE FROM THE SCHOOL NURSE

SHOULD I KEEP MY CHILD HOME FROM SCHOOL BECAUSE OF ILLNESS?

In order for your child to be available for learning and to control communicable disease in school, it is very important for you to keep your child at home when he or she:

- Has a temperature of 100 degrees or more. Your child should remain at home in bed for the day and should be fever-free for 24 hours (without the aid of Tylenol or Motrin) before returning to school, as many children rebound with a temperature. This has been very frustrating lately as many children are returning to school after being sent home the day before with a fever, only to be sent home with fever again. Please consider that we need to attempt to control the spread of illness.
- Has been diagnosed with a strep infection. Your child should be on antibiotics for 24 hours before returning to school.
- Has vomited during the night or in the morning.
- Has persistent diarrhea during the night and into the morning.
- Has a moist productive cough, chest congestion, or discolored nasal discharge.
- Has red swollen eyes that itch and are draining pus (woke up with eyes glued shut).

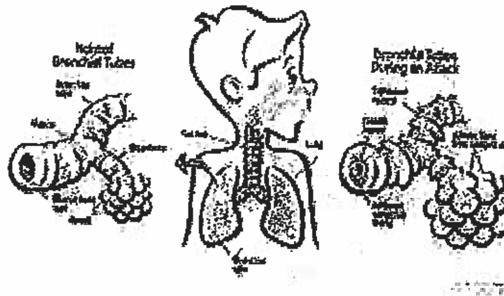
If your child has been diagnosed with a communicable illness, contact your doctor or the school nurse to discuss when your child should return to school. Examples include, but are not limited to chicken pox, impetigo, scabies, lice and ringworm. Please inform the nurse or secretary when your child has a communicable illness so that a health alert may be distributed to classmates. Please send your child back to school with the necessary physician's release form indicating your child has been cleared for school.

WHAT HAPPENS IF MY CHILD SHOULD GET SICK AT SCHOOL?

When it is determined that a student should be sent home as a result of illness or injury, a parent/guardian who has legal custody will be notified and asked to come pick up the child from school. The student can be released to someone other than the parent if that person has been designated on the emergency medical form by the parent. Please inform the office of any change in phone numbers for work or home or an added cell phone or pager to assist us in being able to reach you in a timely manner. If your child is ill at school, he/she needs to be picked up from school in a timely manner, as the health office is very small and other children coming in will be at risk of exposure to the illness.

Does your child have a health condition such as

Asthma, Allergies, Diabetes, Seizure Disorders, etc???



Please notify the School Nurse, Mrs. Baker, in the event your child has an illness or medical condition. Preparations need to be started ***before*** the first day of the school year. Mrs. Baker can be reached at 330-538-2257 X 1405.

Students who will need medication during school hours must have written permission from the physician. A form has been attached for your convenience. (Please note, a different form is needed for asthma inhalers and epi-pens—call Mrs. Baker to request those forms.) Medication must be brought to the school by the parent. The medication must be in the original container. Please contact the School Nurse, Mrs. Baker, with any questions or concerns (330-538-2257 X1405).
