- 7) When practicing for the Listening/Speaking test (*if practicing for the Reading test, go to step 8*), an Audio/Recording Check must be performed. For the Audio Playback Check, select the speaker button; if you hear the sound, select the **I heard the sound** button.

Audio Playback Check

Make sure audio playback is working.

 To play the sample audio, click the Speaker button.

Next Step:

If you heard the sound, choose [I heard the sound]. If not, choose [I did not hear the sound].

I heard the sound I did not hear the sound

To do a Recording Device Check, select the microphone, speak, then press the stop button. Play the recording; if you can hear it, select **I heard my recording**, then select **Continue**.

Recording Device Check

1 Make sure your recording device is working.

1. To start recording, press the Microphone button.
2. Say your name into your recording device.
3. When you are done, press the Stop button.
4. To listen to your recording, press the Play button.

Next Step:
If you heard your recording, choose [I heard my recording]. If not, choose [I did not hear my recording].

4 ☐ I heard my recording ☐ I did not hear my recording
