Team Scholastics Program

November 20, 2024 | 6:30PM - 7:30PM

Team Scholastics is an interdisciplinary approach to teaching and learning. The "team" consists of teachers from different subject areas who share a common group of students offering stable teacher and peer relationships and secure practices that assist with the transition to high school and advanced level course work in grades 10-12.

Target Audience: Current 8th graders in Math 8 interested in building work-study habits
