October 2024

What We Learned

Interim Reports

Parents, be on the lookout! Interim reports will be sent home. These reports provide an opportunity to check in on your child's progress and discuss goals for the next half of the school year.

If you have any questions about your child's report, please reach out to their teacher to schedule a time to discuss.

Quarter 1 - Award Ceremony

We are excited to recognize our students' hard work and accomplishments! Our Quarter 1 Award Ceremony will be held soon, where we'll celebrate academic achievements, perfect attendance, and other outstanding accomplishments. Stay tuned for more details on this special event as we honor our students' successes and encourage them to keep up the great work!

Trait of the month: Gratitude

In November, we're focusing on the character trait of Gratitude. This month, we will also highlight several of the 42 Developmental Assets:

- #9 Service to Others
- #12 School Boundaries
- #15 Positive Peer Influence
- #27 Equity and Social Justice
- #34 Cultural Competence.

These assets help our students understand the value of giving back, setting positive boundaries, and embracing social responsibility. Together, we're building a school community that values gratitude, respect, and inclusivity.

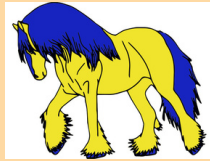

Upcoming Events

- Interims 11/22
- Quarter 1 Award Ceremony
- No school Monday Nov 25
- Thanksgiving Break Nov 26-29

November's Learning Focus: Hydroponics and Geography

Our Hydroponics Initiative continues this month, where students will explore the science of growing plants in water. In addition, November's learning focus will be on Geography.

Students will learn about different climates, temperature zones, and weather patterns around the world. They'll practice using maps, creating diagrams, and developing opinion writing skills as they explore how geography shapes the places we live. It's sure to be a fun and enriching month!
