The **2024-2025 Science Fair** is now accepting research proposals. Any student or team of students (2-3 students) can submit their project to the Science Fair Coordinators Dr. Barry L. Ziober and Mrs. Kratzer. All forms must be submitted before any research can start. Science Fair students will compete in a schoolwide Science Fair January 9, 2025 (snow date January 10) with the top projects competing at the Chester County Science Fair (Rorke-Adams Fair) March 11, 2025 (location to be determined). Top Chester County Science Fair projects are eligible to compete at the Delaware Valley Science Fair (DVSF) April 1 -3, 2025, Oaks, PA.

Please see your science teacher or Mrs. Kratzer if you have any questions.

We recognize how easy it is for children to contact parents directly during school hours. However, if they are feeling ill and are asking to come home, they **MUST** make this request through the nurse. This GVSD protocol is for your child's safety.

Please remind him/her to get a nurse's pass from their teacher and come to the Nurse's Suite when feeling under the weather.

Thank you for your support with this matter.
