School Community - Three townships, Lower, Upper, and West Pottsgrove, compose the Pottsgrove School District and surround the borough of Pottstown on the north side of the Schuylkill River. The district, with a population of 22,387 people, is located in Montgomery County and is 40 miles west of Philadelphia.

School Information - Pottsgrove is a four-year comprehensive, public high school, with a total student population of 1,000 with approximately 90% of that number enrolled in college preparatory courses. Students need 23.49 credits and acceptable results of local assessments aligned with the State Academic Standards. The school year consists of four marking periods with graduation in May.

Curriculum - The program of studies stresses individualization of schedules to meet students' abilities and interests. A variety of electives permit wide latitude in student selection of subjects. All courses include planned sequences of subjects to prepare students for career objectives. Honor programs are available in all academic disciplines. An Accelerated program in mathematics enables a student to progress to college-level Calculus and Statistics. Advanced Placement courses are offered in several curricula. A dual enrollment partnership with Montgomery County Community College offers students the opportunity to receive college credit(s) while in high school. The Western Montgomery Career and Technology Center offers 18 programs that will help prepare students for direct entry into the workforce upon completion.

POTTSGROVE HIGHLIGHTS:

- **35%** of students attending the Western Montgomery Career and Technology Center who participated in the NOCTI testing have earned Competent or Advanced scores.
- **67%** of 2024 AP test takers scored a 3 or higher on at least one AP exam.
- In 2023-2024, **83** Pottsgrove students enrolled in **25** dual enrollment courses and earned **378** college credits.
- Over **45** clubs and organization offerings.
- **Successful** music, athletic, and academic programs.
