

KMS Families,

It was great to see so many of you at conferences this week! The year seems like it is moving fast! We enjoy working with Kalispell's middle schoolers each and every day!

**Dates to Remember:**

November 13 - Early Release, 1:10

November 20 - Early Release, 1:10

November 27 - 29 - No School, Thanksgiving Break

**KMS Nurse/Front Office Update:**

Just a reminder, Students are expected to provide their own nonprescription medication (Ibuprofen, Tylenol, cold medicine, cough drops, etc.) for routine aches and pains and to take any medication only with parental approval. They are allowed to keep these medications in their lockers. We are seeing too many students in the office for these medications and want them to be in class as much as possible! Thank you for your help with this!

**Celebrating Ten Years of Shakespeare in the Schools at KMS:**

On Monday, November 11th, Shakespeare in the Schools will be presenting A Midsummer Night's Dream to all our eighth graders. The performance will take place in the cafetorium during periods 1-3, and some students will be involved in workshops with the actors during periods 5 and 6.

**8th Grade Parents,**

In the month of November 8th Grade Health will be covering Mental Health and Suicide Prevention. If you have any questions, please contact your student's Health Enhancement teacher.

**KMS Yearbook**

The KMS Yearbook is looking for photos that parents might have taken of KMS students. You can email photos to [jana.warnell@sd5.k12.mt.us](mailto:jana.warnell@sd5.k12.mt.us) or upload them using this link: <https://www.hjeshare.com/eShare/?code=kms2025yrbk>

Not all photos will be used so we appreciate you sharing any that you might have.

Currently we are looking for photos from:

football

volleyball

current students doing activities outside of school (clubs or hobbies)

**SCHOOLWIDE TITLE INFO and Family Commitment**

KMS is recognized as a "Schoolwide Title" school. The Title program provides federal funds that support schools with high populations of low-income families. One important philosophy of support programs like Title is diligent communication and involvement between all those who

play a key role in a student's learning at school. The Title Family Commitment form is one method that KMS has chosen to use to promote these important components of student learning. Reading and discussing this with your student is a good way to act upon your commitment to your student's education at KMS. If you have a student enrolled in a Reading Enrichment class with Mrs. Clark or Mr. Sanders, please read and fill out the form digitally by clicking on the link below.
