

BOARD OF EDUCATION GOALS

2024-2025

The Public Schools of the Tarrytowns Board of Education will:

1

Goal 1: Research and implement a process for selecting ex-officio High School student representatives to serve on the Board of Education.

2

Goal 2: Enhance and expand current and new initiatives in communications, public participation in established committees, and responsiveness to new issues to strengthen relationships and engagement with all community stakeholders.

3

Goal 3: Ensure fiscal responsibility, stability, and accountability through transparent practices that garner community support, while proactively addressing current and future needs.
