#### What is the FAFSA?

The Free Application for Federal Student Aid, or FAFSA, is the application that students complete to receive federal and state student financial aid. Colleges can also use the FAFSA to award additional financial aid to students.

- > 2025-2026 FAFSA
  - Using 2023 Tax Returns
- Available in December 2024
- Results are sent to the school
- Must complete every year
- ➤ Deadlines for FAFSA? Priority UA Feb 15,<sup>th</sup> 2025

#### Studentaid.gov

The FAFSA Simplification Act was enacted as a part of the Consolidated Appropriations Act of 2021 and 2022 meant to make the FAFSA more accessible and beneficial to students

#### NAME CHANGES

- THE NEW FAFSA CHANGES A FEW NAMES
  - EXPECTED FAMILY CONTRIBUTION (EFC) TO STUDENT AID INDEX (SAI)
- DRT(DATA RETRIEVAL TOOL) TO FA-DDX (DIRECT DATA EXCHANGE)

STUDENTS AND PARENTS CONSENT TO USE OF FA-DDX

• THE TERM "EFC" COULD BE MISLEADING, SINCE MANY FAMILIES INCORRECTLY BELIEVED THAT THE EFC IS ALL THEY PAY

# CHANGES TO THE FALSA

The changes in the financial aid formula are effective starting with the 2024-2025 FAFSA

Reduces the number of questions from 108 to about 36

Align more questions on FAFSA with federal income tax returns

Reduced likelihood of verification because fewer questions and more data transferred from the IRS

Required consent from users to retrieve federal tax information, required for federal student aid

ALL USERS MUST HAVE FSA ID

Dependent students must invite their parent(s) to contribute to their form if parent information is required.

"Roles" based FAFSA Form Student, Parent, Preparer

Once all required data has been provided and all sections have been signed, any role can submit the FAFSA form

# Do I have to provide Parent's Information?

Most high school seniors are dependent students unless...

- Married
- Financially support a child or other dependent
- A veteran
- Have documented history of abuse, abandonment or estrangement between the student & parents
- Are/were in foster care or legal guardianship

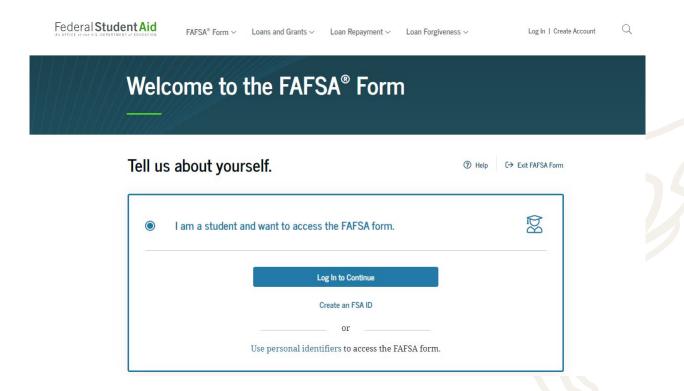

\*Dependent students **must** provide parents' information or they are only eligible for Direct Unsubsidized Loans.

Not living with parents or not being claimed by them on tax forms does not make you an independent student for purposes of applying for federal student aid.

#### FAFSA LOG ON

Student & Parents must have their **own** FAFSA log in https://studentaid.gov/fsa-id/create-account/launch

# DEPENDENT STUDENT LANDING PAGE

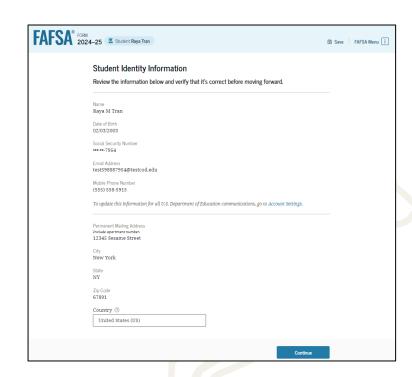

- 1. Student logs in with FSA ID
- 2. Selects appropriate role "student" or "parent"

### STUDENT IDENTITY INFORMATION

This is the first page within the student section. The student can verify that their personal information is correct. To update any of the personal information, the student must access their **Account Settings on** StudentAid.gov.

#### PROVIDE CONSENT

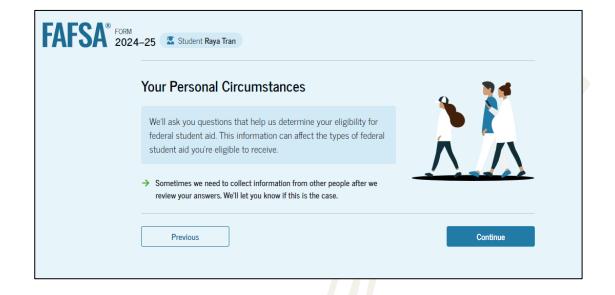

- This page informs the student about consent and their federal tax information.
- By providing consent, the student's federal tax information is transferred directly into the FAFSA® form from the IRS to help complete the Student Financials section.
- The student selects "Approve" to provide consent and is taken to the next page

# DEPENDENT PERSONAL CIRCUMSTANCES

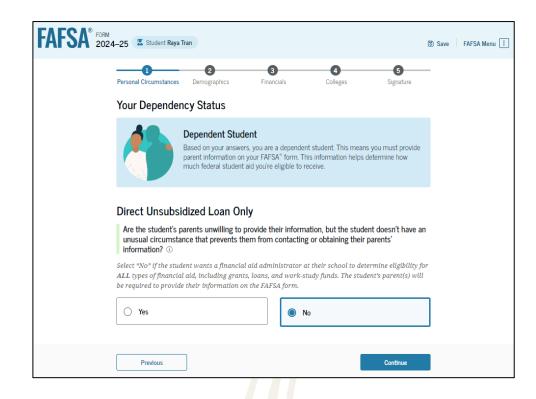

This is the first page within the "Student Personal Circumstances" section. It provides an overview of the section.

### **DEPENDENCY STATUS**

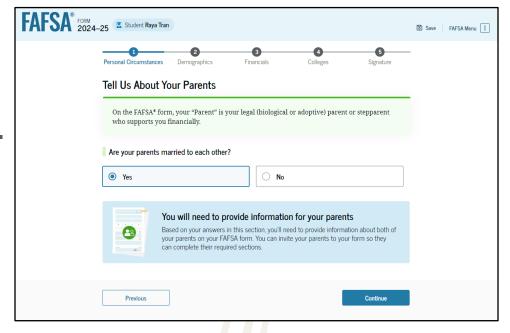

Based on the answers provided by the student, they are considered a dependent student. The student is asked if they want a financial aid administrator to determine their eligibility for a Direct Unsubsidized Loan only. This is an option if the student's parents are unwilling to provide information. The student selects "No."

#### "TELL US ABOUT YOUR PARENTS"

- As the student is considered dependent, they are asked to provide information about their parents.
- The FAFSA® form considers their "Parent" to be their legal (biological or adoptive) parent.
- The student is asked if their parents are married. The student selects "Yes" and is required to invite their parents to their FAFSA form to complete the required parent sections.

# CUSTODIAL PARENT VS. FAMILY SIZE The CONTROL OF A CONTROL

• The custodial parent is the parent who must complete the FAFSA

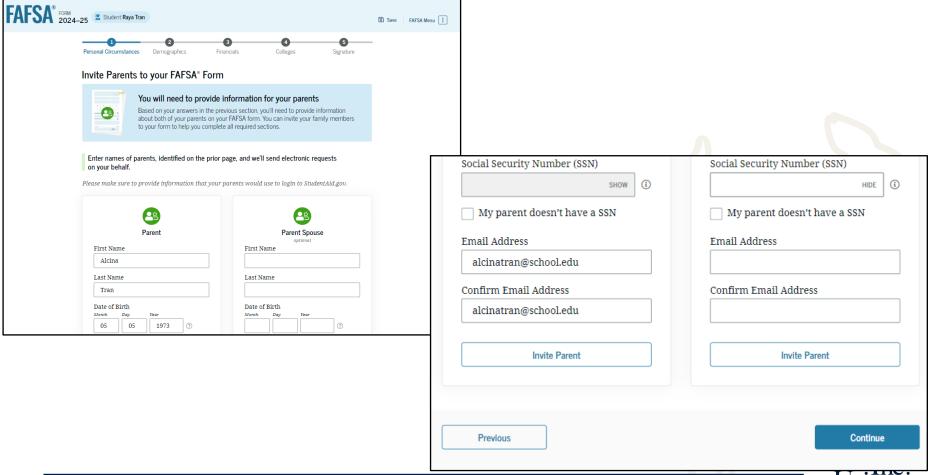

• The new definition of custodial parent is not necessarily the same as the IRS definition of dependent, which is used in the determination of family size

- Which parent completes the FAFSA
- Currently based on where the student resides the most during the 12 months ending on the date the **FAFSA** is filed
- The new FAFSA will base it on whichever parent provided more financial support

#### • Family size

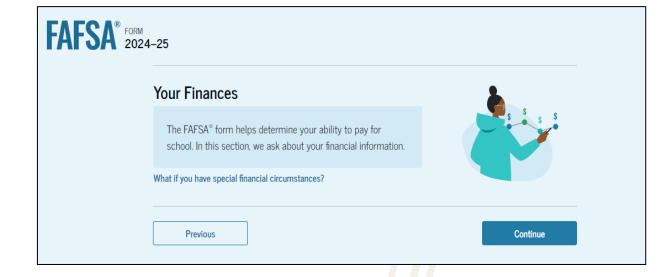

- The student is always counted in family size
- The new FAFSA requires the child to live with the parent for more than half the year and to not provide more than half of their own financial support, but does not require the parent to provide more than half of the child's financial support

The student is asked to enter personal information about their parents The FAFSA® form considers their "Parent" to be their legal (biological or adoptive) parent to send them an invite to their FAFSA® form. In this scenario, the student invites one parent.

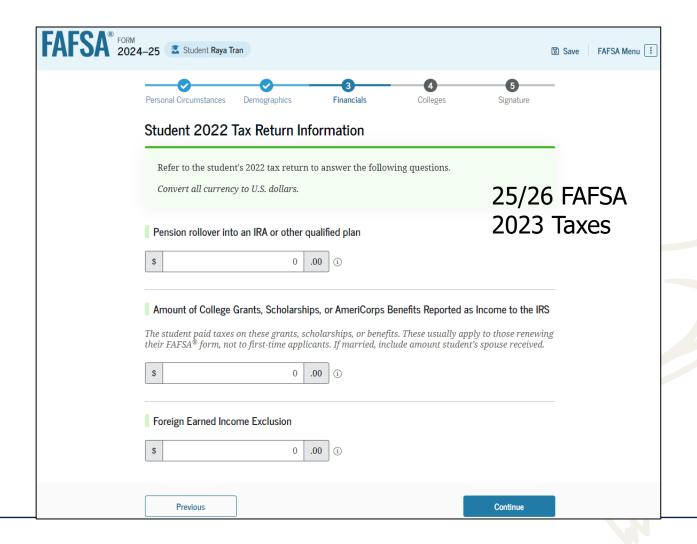

### STUDENT FINANCIALS

This is the first page within the "Student Financials" section. It provides an overview of the section. The student can select the hyperlink if they want to learn about special financial circumstances.

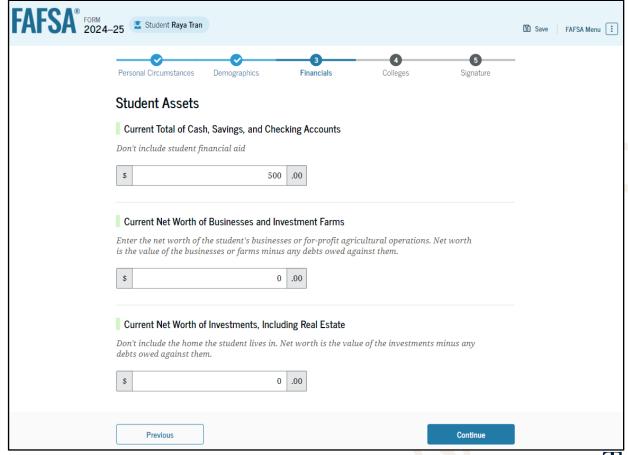

### STUDENT TAX RETURN

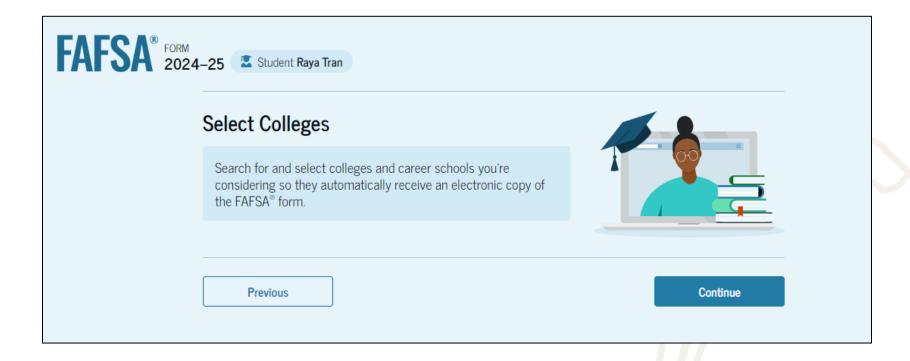

### STUDENT ASSETS

The student is asked about their assets. The student enters a response in each entry field.

The review page displays the responses that the student has provided in the FAFSA® form. The student can view all their responses by selecting "Expand All" or expand each section individually. To edit a response, the student can select the question's hyperlink to be taken to the corresponding page.

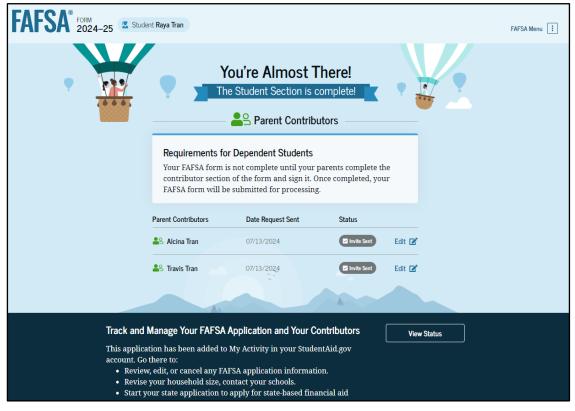

- On this page, the student acknowledges the terms and conditions of the FAFSA® form and signs their section.
- After agreeing and signing, the student can submit their section of the FAFSA form. Since parent information has not been provided, the FAFSA form is <u>not considered</u> complete and can't be processed yet.

- Upon signing the student section, the student is presented the student section complete page. This page displays information for the student about next steps, including tracking their FAFSA® form.
- The student is reminded that their form is not completed and can't be submitted until the parent completes the contributor section of the form and signs it. Next, in this scenario, the student's invited parent will enter the FAFSA form and complete the parent section.

#### Questions About Your Eligibility For Aid?

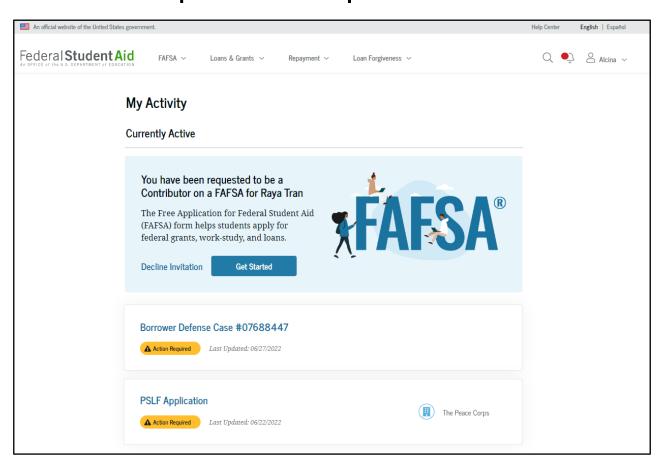

Visit the "FAFSA Help" page for more information.

Get Help >

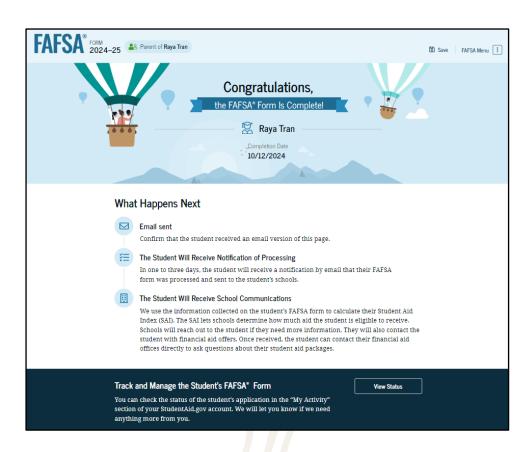

We strongly recommend that your parent(s) complete their own section. If that isn't possible, you can manually provide their information, but you will not be eligible for federal student aid, including grants and loans, until they provide consent and sign the form.

Provide Parent Information Manually >

- Parent receives email, inviting them to log in/create account "contributor"
- Parent logs in with their FSA id
- "My Activity Page"
- Parent then completes their part of the FAFSA

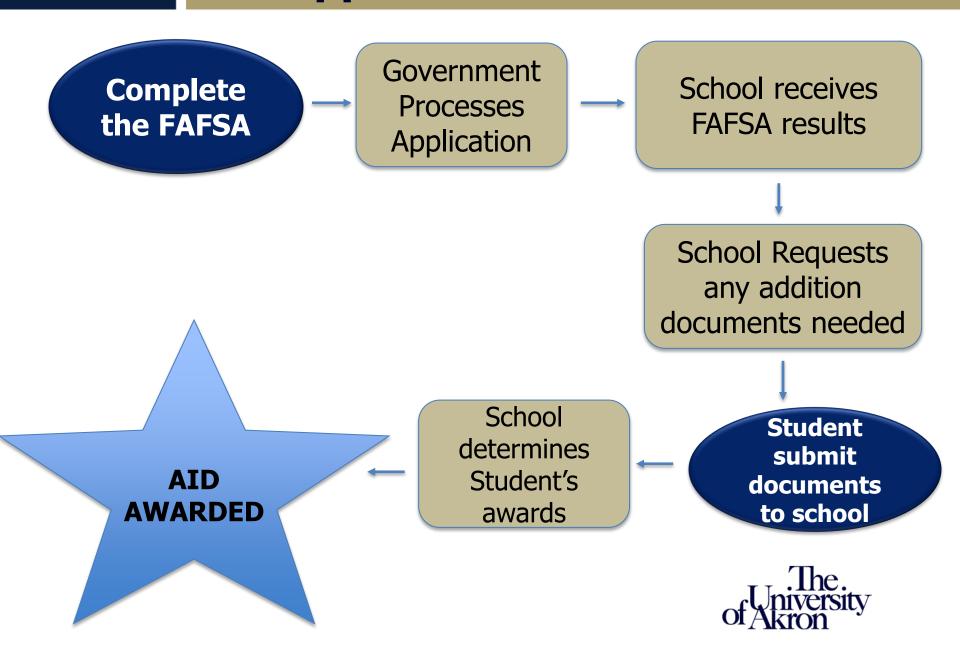

- On this page, the parent acknowledges the terms and conditions of the FAFSA® form and signs their section.
- Since all required sections are complete, the parent can both sign and submit the student's FAFSA form.
