#### A note from Mrs. Ragghianti:

This month, the guidance lesson's focus will be gratitude AND our annually required personal safety lessons. In your child's classroom this month, I will present the Stand Strong Stay Safe curriculum to teach students skills that they can use to stay safe - at home, at school, and in the community. Using a series of age-appropriate presentations, your child will learn how to respond when faced with a potentially unsafe situation. More information is available in the Parent Guide, which is available at ChildBuilders.org/parents.

Your School Counselor, yesenia Ragghianti
