NOTE: The work on PBL units at A2 STEAM has advanced far beyond this simple template. School and neighborhood history sources have been explored in depth by the 1st grade team, 5th grade team, 8th grade team, and African American Studies class. Other PBL projects have also focused on similar designs. This IDM template can be an excellent way to structure inquiry within a PBL unit. Any teachers looking for A2 STEAM history sources should talk to their colleagues.
