- Items can be found in hallways and common areas, and even offices that are accessible to students. That includes the media center, the cafeteria, the gym building common areas, the building 8 common areas and outdoor common areas, and breezeways. Items may not all be placed at the beginning of each day. For example, an item might only be placed after 2nd period.
- Any item found must be turned into Ms. Ryan in room 7111 immediately when it is found, and you must show your student ID so she can see your name and grade level to award the points to your grade level.
- The winning grade level will receive a prize for their entire grade level during the week of November 18th, 2024
- We will post daily (at the end of each day) point tallies on Ms. Ryan's door that will have the running, updated point totals for each grade level.
